

SUNRISE~SUNSET NEWSLETTER

OCTOBER

Dear Sunrise~Sunset parents:

The Sunrise~Sunset program is proud to announce that our S~S family continues to grow with new students and staff members each week. Our program has grown from 50 students the first week of school to over 200 students. We are extremely excited that **your** recommendations and trust has contributed to our success. Thank you! Our S~S staff does truly care about each and every S~S child. Our goal is to provide a safe, nurturing, educational, and enriching environment for all our S~S students.

The students have been enjoying a variety of activities, as well as focusing on academics during homework time and character trait enhancement. Some of the activities that the children have enjoyed these first few months are cooperative games, fitness fun, gardening, crafts, drama, computer lab, board games, scooter games, kickball, educational challenge activities, and even a puppet performance from our Yellow Bears.

We are excited about our next nine weeks and the new offerings that will provide the children with new sports, FCAT enrichment, academic assistance, rhythmic movement, computer lab, and much more. On Teacher Planning Day and Early Release Day, your child will have an opportunity to enjoy an entertaining day with shows and presentations, plus fun-filled activities. Make sure to look for additional information posted on Ms. Mastandrea's office door in the cafeteria.

Now that the Middle School buses depart from CMS campus by 4:05pm, the CES side bus loop gates will open at 4:15pm. The CES front gate will be open beginning at 2:55pm. Thank you for understanding that our pick-up procedure has been altered due to the Middle School dismissal and visitor control.

Lights, Camera, Action

Our Yellow Bears worked for several weeks practicing scripts and creating puppets for a Puppet Show on Thursday, September 21. The children were marvelous doing Play 1 "Spiderella" and Play 2 "Slurping Beauty". The younger children thought the puppet shows were amusing and hilarious. Thank you to Mrs. Marks and Mrs. Wakeland for sponsoring the event. Way to go Yellow Bears!

Please see Ms. Mastandrea to sign-up your child for the Teacher Planning Day, Monday, October 16. Sunrise~Sunset hours will be from 6:30am-6:30pm. Prior registration is required by Wednesday, October 14, so proper staffing can be provided.

Parents: Thank you for your support and cooperation in opening our new program. Your compliments and suggestions have been greatly appreciated. If you have any questions or comments, please feel free to contact Ms. Wendy Mastandrea, Director or Ms. Susan Daniel, Dean.
