WHAT IS CCPS VOICE?

Collier County Public Schools is looking for parents and community members from all areas of Collier County to be a part of **CCPS VOICE**. This new communications advisory council will focus on reviewing District communication efforts and discuss methods of effectively communicating with our many stakeholders.

As a part of **CCPS VOICE**, participants will receive information on new and enhanced District initiatives, as well as have the opportunity to share input on:

- key communication strategies
- communication methods

CCPS VOICE COMMITMENT
