NEWS RELEASE – “NAPLES ART MUSEUM NAMES BUTTON CONTEST WINNERS ”

Congratulations to Mike Davis Elementary School 5th grade student Miriam Santana for being named the winner of the Naples Museum of Art Button Design Contest. The winning button design was selected based on its representation of this year's theme, “Celebrate the Arts!”

The annual contest, open to students at all grade levels, is designed to promote the importance of the arts for young visitors to the museum. Approximately 100 entries were submitted. Santana's winning design will become next year's button, given out to students during visits to the museum during the 2010-2011 school year. Additionally, “Honorable Mention” designations have been awarded to three students in recognition of their outstanding achievement. These designs will be printed as stickers which, along with the buttons, are distributed on Family Days.

According to Jessica Wozniak, Curator for Education at the Naples Museum of Art, “We are extremely proud of every student who participated and are excited to share the winning design with our visitors.”

Students recognized include:
