## COMMUNITY OF GREATER NAPLES

Naples is located in lower Southwest Florida in Collier County containing approximately 2,034 square miles of land and water. Climate is best described as semi-tropical with a strong marine influence from the Gulf of Mexico. The population is approximately 251,000 with a major surge during the winter season. Six high schools serve a population comprised of a wide range of socio-economic and religious backgrounds.

## PROFESSIONAL STAFF

Nine Golden Apple Teachers  
Five Board Certified Teachers  
Outstanding High School Educators

The professional staff at Naples High School is comprised of one Principal, two Assistant Principals, one Dean, one Activities Director, six Guidance Counselors, two Media Specialists, and 90 instructors. Sixty percent of the professional staff holds advanced degrees beyond the bachelor degree level.

## MISSION STATEMENT

The missions statement of the Naples High School community, including students, parents, staff members, and community members as participants in the educational process and stakeholders in the school's success, is to provide a safe, orderly, nurturing environment in which all participants work together in mutual respect and pursuit of educational excellence:

- To promote physical, emotional, intellectual, and social development;
- To inspire individual creativity, responsibility, accountability, and achievement; and
- To foster participants' life-long learning, productive careers, responsible citizenship, and global consciousness in an ever-changing world.
