NEWS RELEASE – “REMINDER OF LATE BUS NOTICE POSTINGS”

Parents of the 20,000 School District of Collier County students who ride a school bus everyday are reminded of an easy way to learn if their child’s bus is delayed on the trip home. Late bus notices are being posted, as needed, on the home page of the district Web site: www.collier.k12.fl.us. Look for the school bus icon and the “Late Bus Notice” link on the right side of the page in the “What’s New” area. It appears any afternoon that a school bus is running more than a half hour behind schedule. Just click on the Late Bus Notice sign to find out if, by chance, your child’s bus is running late. If more than one bus is late, a listing of the bus numbers that are delayed can be found. If a school dismisses students later than usual on a given afternoon, we’ll post a similar Late Dismissal notice there as well.

To learn more about the late bus notice service, call the Communication & Information Office at 377-0180, or send an e-mail to info@collier.k12.fl.us.
