

LOE Dismissal Updates

Dismissal Changes: Please call the front office 239-377-7400 **before 2:15pm** to make student dismissal changes. No late changes will be accepted due to safety.

Early Dismissals: Students who need to leave early must be picked up before **2:30pm**.

NEW Double Carline Afternoon Dismissal: We will be using a double carline in the afternoon this year. Please pay attention to staff directing traffic. We will load the inside lane first and then the outside lane. All cars will be held and should remain in park until dismissed. The inside lane will dismiss first then the outside lane. Please be patient as we all work through this new process

Car tags must be displayed: if you forgot your car tag, please park and bring your ID to the front office.

No cellphone usage in carline help keep our students and staff safe
