

What is NAF?

The National Academy Foundation (NAF) is a leader in the movement to prepare young people for college and career success. For 30 years, NAF has refined a proven educational model which includes industry-focused curricula, work-based learning experiences, and business partner expertise from our five themes: Finance, Hospitality & Tourism, Information Technology, Engineering, and Health Sciences. Employees of more than 2,500 companies volunteer in classrooms, act as mentors, engage NAF students in paid internships and serve on local Advisory Boards.

Who is NAF for?

- Students that have a passion and strength in math and science; students that have a passion for culinary.
- Students that have an interest in making professional connections throughout the Naples area.
- Students who desire to have hands on engagement in the classroom.

Frequently Asked Questions

Do you enjoy problem-based or project-based learning?

Look no further than the NAF academies.

How can I apply?

Complete the application during course registration.

Can I still take AP or AICE courses?

Yes, and we encourage AP and AICE courses; these courses fulfill necessary skills required and allow for an opportunity for college credit.
