

ARE YOU INTERESTED IN AN ONLINE Spanish 2 COURSE?

Are you interested in taking a virtual course and freeing your school day for additional course opportunities? Or are you wanting to fulfill your foreign language requirements for college entrance?

Join the COVE!

Enroll in Spanish 2 through Collier's Online Virtual Education (COVE) program. Successful completion of both semesters of this course satisfies one year of the high school foreign language requirement and the online graduation requirement.

Advantages for this virtual course include:

- An experienced Collier County Public School educator as the instructor
- Convenient, flexible office hours to contact your instructor
- A 100% online course that is aligned with State standards and CCPS expectations
- Limited enrollment numbers to ensure smaller course size
- Greater opportunities to select other high school electives
- Pre-requisite: Spanish 1

Students are required to have one complete online course to receive a standard high school diploma. This course will meet that requirement!

Register NOW!

This is a first come, first served program. Enrollment is not guaranteed. See your school counselor to determine if this course best fits your academic plan!

Online registration available at <http://collierschools.com/page/6266>

Once approved, you will receive an email, and an online instructor will contact you with additional information.
