

## ARE YOU INTERESTED IN TAKING AN ONLINE MATH COURSE FOR *CREDIT RECOVERY*?

Are you interested in taking a virtual course for *credit recovery* and freeing your school day for additional course opportunities? Are you in need of another full credit in mathematics?

# Join CVS!

**Credit Recovery  
Math for College Readiness**

Enroll in Math for College Readiness through Collier Virtual School's (CVS) part-time program. Successful completion of both semesters of this *credit recovery* course will result in recovering one high school mathematics credit.

Advantages for this virtual course include:

- Features Florida Virtual School (FLVS) course content with CCPS teachers
- Convenient, flexible office hours to contact your instructor
- Limited enrollment numbers to ensure smaller course size

**Register NOW!**

Enrollment is not guaranteed. It is awarded on a first-come, first-served basis. See your school counselor to determine if this *credit recovery* course best fits your academic plan!

Online registration available at <https://www.collierschools.com/Page/7948>

Once approved, you will receive an email, and an online instructor will contact you with additional information.
