4. New Business

- School Improvement Funds Usage \$1,025.67 – We can use this to improve the building or purchase supplies for students. Ideas were discussed.
- Community Partnerships – A list of 50 community partners was shared with SAC. There were several community partners that donated, shoes, gift cards, toys, and food to students and their families for the winter holiday. We work hard to write thank you letters and send cards to show our gratitude for the community support that Avalon receives each year.
- School Age Child Care Program – Avalon has a before and after school program from 6:30 am to 6:30 pm. It is fee based and scholarships are available. Certified teachers work the program and help students complete homework and plan for engaging activities to do with them. The Paws Program comes so students can read to them. They also do arts and crafts and have outdoor time.
- AdvancEd – The five processes of reflection and reporting were shared. Avalon is a school that was chosen to be visited. The visiting team will attempt to confirm District-wide systems and process through school visits and interviews. The final report will be shared at a special Board Meeting at the Administration Building on February 23rd at 2:30. Anyone is welcome to attend.
- Parent Involvement Updates – Avalon had a Math & Muffins on December 16 and 44 parents attended to play math games and have breakfast with their child/ren. Our next Books & Bagels is on Friday, January 27th in the Global Garden. During the week of January 23rd we will have our Book Fair in the Media Center and all families are invited to come. Avalon also has English classes for parents on Mondays. Ten to fifteen parents have been attending and childcare is provided.
