**New Business:**

CCPS Presentation on Guest Teachers

2020-2021 Scheduling Information

discussion	<p>Mrs. Melissa Arrazola presented opportunities for guest and substitute teachers with parameters, pay scales,</p> <p>selection process and training. Need 60 credit hours of a degree to qualify or pass a test. SAC is the first stop on helping to increase the pool of available guest/substitute teachers.</p> <p>Mr. McAndrews handed out the consolidated scheduling forms for 9<sup>th</sup> grade, and all others. Counselors are meeting with students through History and ELA classes and will have schedule submissions in early April. Mrs. Poff noticed with agreement by other SAC members that the consolidated schedule is helpful to 10-12 graders as it showing the progression of classes, or NAF academies etc, and not just one year at a time. Also added is the Graduation Tracker update with all of the graduation year requirements to be checked off.</p>
