SAC Vacancies

There could be three vacancies on the SAC this coming year. Stacy Nicolau 3/3 and Danielle Poff is 3/3 this year. Dr. Kinsley would like to have this out by curriculum night. He will create a survey monkey for voting. Demographics of SAC should match the demographics of the school. Reminder that the principal does not count in the demographics. We will use students and community members to balance out our council.

Open Agenda

How does the loss of students affect our scores due to the new high school? Would like a report on this at the next meeting with an update on our demographics.

11th/12th graders were able to stay at BCHS this year if they were zoned for new school.

Audrey Rodgers is currently at 1500-1600 students.

GCHS is under 2000 students.

BCHS has 5-6 classrooms empty this year.

There is a large number of students doing Dual Enrollment as well so they are off campus.

The weightroom was completely renovated over the summer with a generous donation of \$220,000.00

Media Doors were wrapped as well.

No information about A+ money as of yet.

Meeting adjourned: 6:20
