## School Board Approval

This plan is pending approval by the Collier County School Board.

## SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at [www.floridacims.org](http://www.floridacims.org).

## Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

## Part I: School Information

### School Mission and Vision

#### **Provide the school's mission statement.**

To create a collaborative learning community that inspires success through high-quality, data-driven instruction, purposeful learning, and amazingly positive experiences for all stakeholders.

#### **Provide the school's vision statement.**

To foster a learning community where students will engage in experiences that develop self-confidence and a love of learning resulting in respectful and responsible citizens.

### School Leadership Team

#### **Membership**

Identify the name, email address, position title, and job duties/responsibilities for each member of the school leadership team.:

Name	Title	Job Duties and Responsibilities
Bergey, Kelly	Principal	<p>General Description</p> <ol style="list-style-type: none"> <li>1. Implement the District’s philosophy of education and instructional program in accordance with District policies and administrative guidelines, Florida Department of Education requirements, and provisions of State and Federal law.</li> <li>2. Directs all school administrative operations.</li> <li>3. Provides instructional leadership for all school programs.</li> </ol> <p>Specific Duties</p> <ol style="list-style-type: none"> <li>1. Provides leadership for all school operations consistent with existing collective bargaining contracts, school law, Board Policies, and Administrative Procedures.</li> <li>2. ## Analysis

**Data Analysis**

Answer the following analysis questions using the progress monitoring data and state assessment data, if applicable.

**What trends emerge across grade levels, subgroups and core content areas?**

ELA FSA trends that emerged:

- Number of level 1's and 2's decreased
- Number of level 3, 4, and 5's increased
- Our ELL subgroup made learning gains and had higher proficiency levels.

Math-

- Scores have stayed stayed stagnant from FY19 to FY21 or decreased in all state assessed areas.

Science-

- Science FY19 73% to FY21 77%.

**What data components, based off progress monitoring and 2019 state assessments, demonstrate the greatest need for improvement?**

3rd & 4th grade went down on FSA Math Assessment from FY19 to FY21.

- 3rd Grade: FY19 89% to FY21 68%.
- 4th Grade: FY19 77% to FY21 76%

3rd Grade went down in FSA ELA Assessment from FY19 to FY21.

- FY19 81% to FY21 73%.

**What were the contributing factors to this need for improvement? What new actions would need to be taken to address this need for improvement?**

- FY21, Our 3rd grade cohort was the highest number of students in virtual learning all year.
- FY22, all 3rd graders are back on campus and will have specific math professional development to ensure mastery and understanding of the math standards.
- FY22, All 3rd grade teachers will participate in collaborative planning to ensure ELA BEST Standards are taught and LAFS Standards are integrated throughout instruction.

**What data components, based off progress monitoring and 2019 state assessments, showed the most improvement?**

5th Grade went up in all FSA Assessments from FY19 to FY21.

- ELA: FY19 74% to FY21 76%
- Math FY19 75% to FY21 81%
- Science FY19 73% to FY21 77%

- Kindergarten to 2nd Grade Students are moving in the right direction toward Quartile 4 by the end of each grade levels and are increasing making improvements from Diagnostic 1 to Diagnostic 3

**What were the contributing factors to this improvement? What new actions did your school take in this area?**

- All resources and supports pushed into 5th grade to ensure learning gains and achievement would occur.
- Student received additional interventions in both ELA and Math.
- Focused on incorporating Science into the other core content areas.

- Interactive High Frequency Word Wall will be posted in all classrooms.
- Strategic Intervention in ELA based off identified areas to close the instructional gap.

### **What strategies will need to be implemented in order to accelerate learning?**

- Highly engaging instruction with student-centered learning tasks.
- Ongoing progress monitoring to make adjustments on the spot.
- Exit tickets will be used as another progress monitoring tool to track mastery of standards.
- Empower students to track their own goals and celebrate their accomplishments.

### **Based on the contributing factors and strategies identified to accelerate learning, describe the professional development opportunities that will be provided at the school to support teachers and leaders.**

- Continuous ELA Professional Learning: Ongoing support and development focusing on ELA BEST Standards, Compartmentalized Writing, progress monitoring tools, and student-centered tasks.
- Wild about Learning: Professional development targeted on ways to engage and create student ownership of their learning.
- Leader in Me Training: Staff will engage in ways to empower students to track their own goals and celebrate their accomplishments.

### **Provide a description of the additional services that will be implemented to ensure sustainability of improvement in the next year and beyond.**

Our areas of focus will be evaluated for effectiveness and we will continue to make adjustments as needed based on the feedback and data. We will continue to focus in these specific professional learning topics as they are critical to student achievement.

## **Part III: Planning for Improvement**

### **Areas of Focus:**

## #1. Instructional Practice specifically relating to ELA

<b>Area of Focus Description and Rationale:</b>	Based on the ELA Quarterly Benchmark data, grades 3-5 all decreased in proficiency from fall to spring.
<b>Measureable Outcome:</b>	We will increase ELA proficiency on the 2022 FSA Assessment by 3% (from 74% to 78%) by May of 2022.
<b>Monitoring:</b>	<ul style="list-style-type: none"> <li>* Quarterly Benchmark Assessments- three times a year</li> <li>* Analyzing Culminating Tasks- three times a year</li> <li>* Ongoing FTEM Observations and Feedback</li> </ul>
<b>Person responsible for monitoring outcome:</b>	Rachel Callahan (callar1@collierschools.com)
<b>Evidence-based Strategy:</b>	* Exit Slips are written student responses to questions teachers pose at the end of a class or lesson.
<b>Rationale for Evidence-based Strategy:</b>	These quick, informal assessments enable teachers to quickly assess students' understanding of the material. This will help teachers differentiate to ensure mastery of grade-level concepts.

### Action Steps to Implement

1. Ensuring that teachers have created purposeful and standards-driven exit slips during Collaborative Planning.

**Person Responsible** Rachel Callahan (callar1@collierschools.com)

2. Provide professional development for exit slip idea writing.

**Person Responsible** Rebecca McCosh (mccosr@collierschools.com)

3. This will be monitored through classroom walk-throughs, informal, and formal observations.

**Person Responsible** Rachel Callahan (callar1@collierschools.com)

## #2. Instructional Practice specifically relating to Math

**Area of Focus**  
**Description and Rationale:** From FY19 to FY21, we went down 5% (81% to 76%) in proficiency as a school.

**Measureable Outcome:** We will increase Math proficiency on the 2022 FSA Assessment by 6% (from 76% to 82%) by May of 2022.

**Monitoring:**

- \* Quarterly Benchmark Assessments- three times a year
- \* Analyzing End of Unit Assessments- Monthly during PLCs
- \* Daily Exit Ticket Responses- Weekly during Collaborative Planning
- \* Ongoing FTEM Observations and Feedback

**Person responsible for monitoring outcome:** Kelly Bergey (bergekek@collierschools.com)

**Evidence-based Strategy:** Establish mathematics goals to focus reasoning

**Rationale for Evidence-based Strategy:** Establish clear goals for the mathematics that students are learning, situate goals within learning progressions, and use the goals to guide instructional decisions.

### Action Steps to Implement

1. Ensuring that teachers have created purposeful and standards-driven Goals (WIGs) for each student based on the grade level expectations.

**Person Responsible** Kelly Bergey (bergekek@collierschools.com)

2. Provide professional development for monitoring and tracking student growth on their goals.

**Person Responsible** Kelly Bergey (bergekek@collierschools.com)

3. This will be monitored through classroom walk-throughs, informal, and formal observations.

**Person Responsible** Kelly Bergey (bergekek@collierschools.com)

**#3. Instructional Practice specifically relating to Math****Area of Focus**

**Description and Rationale:** From FY19 to FY21, we went down 7% (72% to 65%) in math gains as a school.

**Measureable Outcome:** We will increase Math gains on the 2022 FSA Assessment by 8% (from 65% to 73%) by May of 2022.

**Monitoring:**

- \* Quarterly WIG Tracking- three times a year
- \* Quarterly Benchmark Assessments- three times a year
- \* Analyzing End of Unit Assessments- Monthly during PLCs
- \* Daily Exit Ticket Responses- Weekly during Collaborative Planning
- \* Ongoing FTEM Observations and Feedback

**Person responsible for monitoring outcome:**

Kelly Bergey (bergekek@collierschools.com)

**Evidence-based Strategy:**

Elicit and use evidence of student thinking.

**Rationale for Evidence-based Strategy:**

Use evidence of student thinking to assess progress toward mathematical understanding and to adjust instruction continually in ways that support and extend learning.

**Action Steps to Implement**

1. Explicitly plan for tasks focused on students providing evidence to support their learning in each lesson based on the standard.

**Person Responsible** Kelly Bergey (bergekek@collierschools.com)

2. Provide professional development to create student centered tasks that provide opportunities for students to give evidence to demonstrate their understanding.

**Person Responsible** Kelly Bergey (bergekek@collierschools.com)

3. This will be monitored through classroom walk-throughs, informal, and formal observations.

**Person Responsible** Rachel Callahan (callar1@collierschools.com)

4. Weekly Collaborative planning will focus on intentional questions and tasks.

**Person Responsible** Kelly Bergey (bergekek@collierschools.com)

**Additional Schoolwide Improvement Priorities**

Using the [SafeSchoolsforAlex.org](https://www.safeschoolsforalex.org), compare the discipline data of the school to discipline data across the state and provide primary or secondary areas of concern that the school will monitor during the upcoming school year. Include how the school culture and environment will be monitored through the lens of behavior or discipline data.

**Based on the school discipline data, an area of focus this year is creating a culture of kindness to minimize/eliminate bullying incidents at our school. We will work with our PBIS committee to review our monthly data and develop an action plan to encourage kindness and friendship throughout our school community.**

### Part IV: Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning, and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups to employ school improvement strategies that impact the positive school culture and environment are critical. Stakeholder groups more proximal to the school include teachers, students, and families of students, volunteers, and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services, and business partners.

Stakeholders play a key role in school performance and addressing equity. Consulting various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies.

**Describe how the school addresses building a positive school culture and environment.**

N/A

**Identify the stakeholders and their role in promoting a positive culture and environment at the school.**

N/A

### Part V: Budget

1	III.A.	Areas of Focus: Instructional Practice: ELA	\$0.00
2	III.A.	Areas of Focus: Instructional Practice: Math	\$0.00
3	III.A.	Areas of Focus: Instructional Practice: Math	\$0.00
<b>Total:</b>			<b>\$0.00</b>
