OPEN AGENDA	Jill Rexford shared the Title I use of Funds. Mrs. Rexford explained that the funds would be used to pay for guest teachers so that our staff at EES would be able to participate in Instructional Rounds. These instructional rounds allow our teachers to see each other's best practices and take them back to their own classroom to implement. Council members were given the opportunity to ask questions and provide feedback. SAC did not have any feedback or concerns with the plan for the use of Title 1 Funds.
