Ms. Jaramillo suggested that parents be given ample time to be able to arrange for babysitters, transportation, or make arrangement for other means of attending Title 1 functions. A suggestion was made that distributing flyers, sending messages via E-mail, auto dialers and social media be done earlier. Dr. Meyer also recommended that GGMS develop a program for boys similar to the “Girls on the Run” program. This group would offer the opportunity for boys to work with a mentor to build healthy and responsible relationships while participating in an athletic activity. This group is be offered by the Abuse Counseling Center. All present agreed this would be a great idea and the program would be slated for Spring 2021. Ingrid Rodriguez proposed that GGMS would participate in “Drug Collier” again this year. All present agreed.
- B. All present reviewed the Title 1 Use of Funds for 2020-2021 and given the opportunity for discussion and provide input. Dr. Meyer suggested that additional funds would be needed to sponsor an informational evening for parent for a boys group by the Abuse Counseling Center and a Collier County Drug Free Program. A proposal for funds would be submitted.

C. The Title 1 Parent-Student-Teacher Compact for 2020-2021 was reviewed. Everyone present were invited to provide input and participate in discussion as to any changes that should be made. Dr. Meyer suggested that the compact should include language that pertains to the virtual learning students, such as providing a proper space to work and the expectation that students working from home are expected to follow the CCPS code of conduct.
