AGENDA ITEM 1	Wellness Team- Mrs. Cosgrove and Student Leadership Team
AGENDA ITEM 2	Media Books-Dr. Pete Cade presented the new regulations (House Bill 1467) that we must follow when purchasing books for the media center. SAC will provide the community input required per the policy. SAC members will be presented with a list of titles in the future meetings to provide the opportunity to provide input.
AGENDA ITEM 3	7 Habits for Families- Family Trainings are being hosted by the CCPS Family Involvement department at PCR. It is a series of trainings on the 7 Habits for Families. The first session occurred in January and PCR was represented by families. We'd love to have more families attend the following sessions to learn more about the 7 Habits and how to live a fulfilled family life implementing them. The next session is on 2/23 at 5pm in our cafeteria. (CCPS Flyer was shared)
AGENDA ITEM 4	Student Attendance-Mrs. Barber, our assistant principal, spoke about student attendance being a Wildly Important Goal for Pinecrest. When students are absent, we cannot make up that valuable learning time. Our goal is for students to be in school all day, every day. A child should stay home if they are vomiting or running a fever. If a child needs to go to the doctors for a general appointment, we encourage parents to make the appointment first thing in the

	<p>morning or the last part of the day to allow students maximum time in class. PCR tracks grade level, class and individual student attendance and works closely with our Truancy Department to support families who are not abiding by state attendance law for children ages 6 and up.</p>
AGENDA ITEM 5	<p>Literacy Night Recap-Literacy Night hosted over 300 PCR students and family members. Students and families enjoyed literacy-based games and activities. For those who attended, only positive feedback was provided. Parents liked the activities and the level of engagement they provided for our students.</p>
AGENDA ITEM 6	<p>Family Beautification Fundraiser Event- Shared the opportunity that we would like to host a Family Beautification Fundraiser where families purchase a ceiling tile to decorate, and the student can then donate it to their most impactful teacher's classroom to replace a white tile. This is a way to fundraise for student events and celebrate a teacher! Other schools have charged \$25 for this memorial beautification event. The price purchases a new tile, décor, and then the remaining funds are put into the Student Celebration Fundraiser acct for future use. Hoping to host 50-100 families. The date will be in March/April- suggestions for a Tuesday night welcomed.</p> <p>Parents shared the following comments/concerns/questions:</p> <ul style="list-style-type: none"> • One parent suggested to make it by donation instead of a set price. • Another suggested to donate but have a minimum amount to make sure you cover the cost. • Two parents suggested \$20.00 per tile. • Why purchase new tiles? Use what's in the classrooms now. • What happens when the teacher leaves or moves to another room? • How much is all the décor materials costing, so that we can make sure we are making a profit for our fundraiser before we set a price? • What type of décor will be provided? • Will families be able to purchase and take a tile home to decorate if they can't make it to the fundraiser night?
AGENDA ITEM 7	<p>Open-Mrs. Ilesha and Ms. Dawn shared our movie night updates. So far 67 tickets have been sold. Green tickets were put in teachers' mailboxes to be sent home on Thursday, Feb. 9, 2023. Thirty pizzas have been pre-ordered for this event.</p>
