School Advisory Council Minutes for October 9, 2018 - P.E.S (Media Center) at 5:30 p.m.

2nd Review of School Improvement Plan Feedback: Jessica Davis reviewed the School Improvement plan with the SAC committee. In addition, asked for input and feedback from SAC members before voting on School Improvement Plan. Topics of discussion was how to improve the gains scores for the lowest 25% in Reading and Math.

The three goals selected for improvement include:

1. To Improve Math Learning Gains by 3% at each grade level.
2. Improve Math lowest 25 learning gains by 3% at each grade level.
3. Improve ELA learning gains by 3% at each grade level.

Lynn Clarke motioned to approve the school improvement plan as stated in the handout and Diana Ide-Gonzalez 2nd the motion.

Math Software: Mrs. Davis explained to the SAC committee that we are going to have several days of support in math every month from the District. We are currently still investigating potential math software to purchase with the Math funds. We are looking at a few math Apps and software that supports the math standards.
