Collier County Public Schools

From the Beginning...

CCPS Proud Tour – 2/19/16
Mr. David Stump, Deputy Superintendent

Before Public Schools

- Education was taught in homes or churches which were rented or loaned by private owners

- 1889 - Naples School was built by private owners and run by Lee County
- 1893 - Everglade School was established in the home of G.W. Storter now known as the Rod and Gun Club in Everglades City

CCPS | Collier County Public Schools

July 1923

- Collier County was created and separated from Lee County thanks to the efforts of Barron Collier and Tommie Barfield

Governor Carey A. Hardee signs the bill establishing Florida's 62nd county, Collier, on May 8, 1923. Standing behind the governor, in a black suit, is Barron Collier.
