# Corkscrew Middle School Hawk's Hall of Fame

Dear Prospective Corkscrew Partner,

**Corkscrew Middle School is excited to announce our Business Partnership Program: "Hawk's Hall of Fame".** Local businesses and schools are core members of our community. Partnerships between the business community and schools grow out of a shared commitment to educational achievement and the preparation of tomorrow's leaders. By working together, schools and businesses benefit students, teachers, and the entire community.

Partnerships with supporters like you enable us to provide educational experiences and materials that enrich the quality of the education of every student at CMS. With the support of our PTA and Box tops for Education, CMS has funded off-site field trips for our students and sponsored numerous events for our families. Teachers and grade-level teams are given funds for wish list items to help support classroom needs. Additionally, funds are provided to defray technology costs and support various other programs that maximize the potential and innovation of each learner at CMS. **Every penny that is raised goes back into the classrooms to benefit the children and their educational experience.**

Corkscrew Middle School is proud to have a strong tradition of academic excellence! Our **Hawk's Hall of Fame** will proudly display their company's banner with logo on our fence along Oil Well Road offering each supporter maximized visibility. Each banner purchased will directly impact our school this year by providing laptops/iPads for the classrooms. For every one banner supported, one laptop/iPad will be purchased for a classroom! So please join us! We need your support to continue to offer these programs to our students. After a review of the Corkscrew Partnership, **we hope that you will consider a contribution of direct funding.** Join the Corkscrew Community by becoming a Corkscrew Middle School Hawk's Hall of Fame member! We truly believe that together, we are the creators of our future.

Thank you,

Rania Pierre-Peacock  
Principal, Corkscrew Middle School
