Support Team

The Support Team functions to provide guidance and feedback to the program participant. Each member of the Preparing for the Principalship Program is required to provide the names of his/her Support Team, consisting of his/her current principal and at least two (2) other site-based administrators. This team will review the Ten (10) Florida Principal Standards performance-based activities of the participant due the two-year program.

Please provide the names of the members of your Support Team:

1. Current Principal: _____
2. Site-Based Administrator: _____
3. Site-Based Administrator: _____

Reflection

Professional Learning Community Reflection:

On a separate page, please write a thoughtful reflection based on your experiences with professional learning communities. Explain your philosophy and how you plan to engage your school in increasing student achievement through the use of professional learning communities.

Preparing for the Principalship is a two-year program containing the courses: Leadership 1 and Leadership 2. Each of the courses are scheduled to be completed within a year. If participants extend their enrollment past a year, an Action Learning Project will be required for completion. Any participant that extends their enrollment past two years will be required to reapply for Preparing for the Principalship.
