I am willing to serve as a mentor in his/her endeavors to become an academic coach for Collier County Public Schools. I understand this candidate will need to participate in a job-shadowing experience outside the school (guest teachers provided). I will also provide opportunities within the school that will help to enhance the leadership skills for this candidate. In addition, I will permit this candidate the opportunity to shadow an academic coach within my school during the Aspiring Academic Coach's planning/lunch (no provision for guest teacher).
