- Differentiated pay for the additional responsibility and difficulties of teaching an extra course in lieu of a planning block/period:
  - Middle and high school EMPLOYEES on a six (6) or seven (7) period and who are regularly scheduled to teach during their planning period shall be paid a 16% instructional supplement.
- Differentiated pay for Immokalee EMPLOYEES:
  - Immokalee EMPLOYEES shall receive a supplement of \$2500. The supplement shall be paid in two equal installments, the first in December and the second in May. EMPLOYEES with a start date on or after January 1 shall only be eligible to receive the second installment of \$1250 paid in May. Only those EMPLOYEES who are current EMPLOYEES as of the date on which the supplement is paid shall be eligible to receive the supplement.
- Differentiated pay for lead teacher responsibilities in Alternative Schools:
  - Alternative School Lead Teacher at specific sites as recommended by the principal shall receive an addition 10% instructional supplement. Duties and responsibilities will vary depending on the progress and will be determined by the principal.
- Computation of Salaries:
  - Salaries are computed on the basis of 196 working days except for an EMPLOYEE's initial contract. All instructional positions which are more or fewer than 196 days will be computed at the daily rate of 1/196 of the instructional salary.
- Differentiated pay for Speech Language Pathologists:
  - Speech Language Pathologists shall receive an additional instructional supplement of \$3,000.
- Differentiated Pay for Dual Enrollment Teacher/ Student Performance:
  - High School EMPLOYEES who teach high school students in any dual enrollment college credit course on a District High School campus will receive fifty dollars (\$50) for a student performance grade of B or higher, per student, per course.
