Children must be enrolled in an elementary school within Collier County Public Schools or any of the District sanctioned Charter schools to be eligible for services provided by SACC.

Age requirements: A child who is at least five years of age by September 1st and who is attending kindergarten through grade 5. All elementary children may attend through the summer following his/her last year in elementary school.

MEDICAL — ILLNESS — EMERGENCIES

SACC services encourages daily medication to be taken in the school clinic during the school day prior to arrival. If a child becomes ill while attending after school services, the parent/guardian will be contacted to pick up the child. I understand that EMS (911) will be called when there is an emergency requiring evaluation and/or transport of a child for medical treatment, and I will assume responsibility for payment for EMS services. The Site Supervisor/Designee will contact the parent/guardian. If unable to reach a parent/guardian, one of the emergency contacts listed on the Emergency Contact and Emergency Form will be contacted to pick up and/or care for the child.

During after school and full-day schedules, a daily nutritional snack will be provided for your child. Please notify staff of any food allergies upon enrollment. Full-day services: All lunches/snacks brought from home must be properly packed in a lunch box or cooler. All lunch boxes or coolers should be labeled with child's name. Heating or refrigeration for any lunch items is NOT available.

NO SCHOOL DAYS FOR STUDENTS

On Teacher planning days, winter break, spring break, and observed holidays, parents/guardians must provide lunch and one snack each day. During these breaks, children may attend full-day services at his or her school, if offered.

SAFETY

Maintaining the safety of children is the number one priority of SACC services. Your child will be under the supervision of qualified personnel familiar with his/her school. Parents/Guardians are responsible for sign-in and sign-out of his/her child to the designated area. Children are released ONLY to authorized persons listed on the enrollment form filed with the SACC services. Special instructions pertaining to a child's care should be given in writing to the Site Supervisor/Designee. Please see additional COVID-19 Guidelines.
