

Face Coverings and Safety Glasses

Policy Changes

School Board policies 5511 (Student Dress and Grooming) and 3216 (Staff Dress and Grooming) have been revised to include criteria for wearing protective gear such as face coverings and safety glasses during health emergencies, including situations involving pandemic and infectious diseases. *The Code of Student Conduct* is applicable regarding student accountability.

Face Coverings

All students and staff will be expected to wear a face covering on school campus. Face coverings prevent the spread of coronavirus.

The following will be provided:

- Students - two (2) washable face coverings
- Staff - three (3) washable face coverings

The policy printed in its entirety is as follows:

Safety Glasses (Optional)

Safety glasses provide wraparound protection and create an additional barrier between an individual and the virus. The glasses are made of clear plastic and are designed to be worn over prescription glasses.

The following will be provided:

- Students - one (1) pair of safety glasses
- Staff - one (1) pair of safety glasses

5511 - STUDENT DRESS AND GROOMING

The School Board recognizes that each student's mode of dress and grooming is a manifestation of personal style and individual preference. The Board will not interfere with the right of students and their parents to make decisions regarding their appearance, except when their choices interfere with the educational program of the schools. The Board authorizes the Superintendent to establish a dress code in order to promote a safe and healthy school setting and enhance the educational environment.

Where the District is confronted with a health emergency, including pandemic and infectious disease situations, which might require or warrant the wearing of protective masks, shields, glasses or other coverings pursuant to guidelines and/or directives issued by the Federal Centers for Disease Control and /or the State of Florida Department of Health ("FDH"), including those issued by the FDH of Collier County, shall be considered. While the protective items may have varying colors, patterns, designs, and/or District, school, or college/university logos on them, students shall not put on them markings, writings, depictions of any sort or kind. The purpose of the referenced protective items is for medical and health reasons only and may not serve as a forum or billboard for student expression.

With the foregoing limitations in mind, and in accordance with the free expression and related provisions set forth in the Code of Student Conduct, it is recognized that students have a right to express their views on political, social, economic, religious, and aesthetic issues provided, they are not disruptive to the school and learning environment. This includes expressing one's views on a t-shirt, for example. The discussion of controversial issues should be encouraged during classroom instruction as appropriate and in conformity with Board Policy 2240 which is incorporated by reference herein. The provisions of this dress code policy are incorporated into the Code of Student Conduct and made a part thereof.

Revised 8/11/20

At Corkscrew Elementary School we encourage student to “dress for success”. Our goal is to provide a safe and successful learning experience for all students. If appropriateness of attire is questioned, the child will be referred to the office. The support of parents in following the established CCPS Dress Code Policy is greatly appreciated.
