

FALL ATHLETICS: GUIDANCE FOR SPECTATORS

September 15, 2020

UPDATE: Guidance for Spectators (sport-by-sport breakdown below)

We are pleased the Florida Department of Health-Collier has approved the ability to have limited spectator attendance at CCPS athletic competitions.

Spectators will be subject to the following health and safety guidelines:
All spectators will be **REQUIRED** to wear a face covering (covering nose and mouth)

Open-chin triangle bandanas and face coverings containing valves/vents, mesh material, lace, holes, or other largely porous materials are **NOT** acceptable

Each participant's household guests will be able to remain together, but will be required to maintain social distancing of at least six feet from other spectators

VOLLEYBALL

Each CCPS student-athlete will be permitted to invite two members of his/her household to attend each **HOME** and **AWAY** game. When our schools host non-CCPS teams, those visiting student-athletes will also be permitted to invite two members of his/her household to attend the game.

Spectators are required to be seated in designated spots (marked by schools' logo stickers) in the bleachers.

- All spectators will be required to wear a face covering at all times on campus
 - This includes when waiting in a line and in the gym
- Social distancing using pre-identified, marked bleacher seats will allow for each participant's two household guests to sit together, six feet apart from others
- No standing on the court inside the school gym
- High Schools are giving ticket access directly to students to provide to the two household members

All persons will be required to leave the premises IMMEDIATELY after the conclusion of each contest.

For example, if a double header is scheduled, as in JV and Varsity Volleyball, when the first game ends all spectators from that game will be required to leave the premises before the spectators for the next game will be permitted to enter.

Concessions will be limited to grab-and-go commercially packaged snacks; social distancing of six (6) feet will be followed

CROSS COUNTRY

Each CCPS student-athlete will be permitted to invite two members of his/her household to attend each HOME and AWAY meet. All spectators will be expected to practice social distancing and wear protective face coverings.
