Everglades City, Florida 34139

Report Number:
092617

Coordinated by:
Dr. Cherie Allison, Everglades City School

VISION STATEMENT

All students will complete school prepared for ongoing learning as well as community and global responsibilities.

The District School Board of Collier County does not discriminate on the basis of race, color, national origin, sex, disability, or age in the provision of educational opportunities or employment opportunities and benefits. The District School Board does not discriminate on the basis of sex or disability in the education programs and activities that it operates, pursuant to the requirements of Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act of 1990, respectively. The right not to be discriminated against extends to both employees and students of the District and shall include equal access to designated youth organizations in conformity with the Boy Scouts of America Equal Access Act. The following personnel should be contacted for inquires about their rights or to learn how to file a complaint regarding discrimination.

Employees: Educational Equity Act, Title IX, Section 504 (Rehabilitation Act) or the Americans with Disabilities Act, contact Ian Dean, Executive Director, Human Resources and Deputy Title IX Coordinator for Employees, (239) 377-0365, The District School Board of Collier County, 5775 Osceola Trail, Naples, Florida 34109.

Students: Educational Equity Act, Title IX, or the Age Discrimination Act of 1975, contact Stephen McFadden, Coordinator, School Counseling K-8, and Deputy Title IX Coordinator for Students, (239) 377-0517, The District School Board of Collier County, 5775 Osceola Trail, Naples, Florida 34109

Section 504 (Rehabilitation Act) and the Americans with Disabilities Act, contact Dr. Dena Landry, Coordinator, Psychological Services, (239) 377-0521, The District School Board of Collier County, 5775 Osceola Trail, Naples, Florida, 34109.

Welcome

Dear Everglades City Gators,

On behalf of the faculty and support staff of Everglades City School, also known as EVG, we have the privilege of welcoming you to one of the only public Prekindergarten through grade 12 school in the state of Florida. Whether you are a new or returning student, we are fortunate to have you as a member of the Everglades City School family. We encourage students to practice the District's adopted character traits of Citizenship, Cooperation, Honesty, Kindness, Patriotism, Perseverance, Respect, Responsibility, Self-Control, and Tolerance.

We want to make you aware that for security purposes we employ the use of video and audio surveillance on our campus and in some of our buses. This equipment may or may not be monitored at any time. All security videos remain the property of the School Board of Collier County. Videos involving identifiable students are considered student confidential records and are protected by the rules and procedures for the confidentiality of student records.

In addition to your classroom learning, EVG offers many clubs and organizations that can add interest and excitement to your school life. Make every effort to give your best to your school, and we will personally guarantee an enjoyable and successful school year for you.

Sincerely,
Everglades City School Administration Team

Everglades City School Mission

The mission of Everglades City School is to provide each student with the opportunity to learn in a positive environment with mutual respect, open communication, and fairness.

Everglades City School Focus Statement

"BELIEVE AND YOU WILL ACHIEVE"

Everglades City School Vision

The vistas of learning and student achievement pivot on two fundamental cornerstones: early success in school and mastery of basic skills in reading comprehension, mathematics applications and writing skills. Readiness for learning is integral for success as children begin their educational quest. As such, a comprehensive pre-kindergarten program is essential to ensure student readiness. The mastery of basic skills is the key for success in all academic endeavors. It leads to the fulfillment of student achievement and influences student attitudes.

We Believe:

- All students can learn.
- Teachers, administrators, parents, and community share the responsibility for advancing our school's mission.
- Student learning is the chief priority for a school.
- Students learn best when they are actively engaged in the learning process.
- Each student is a valued individual with unique physical, social, emotional, and intellectual needs.
- Positive relationships and mutual respect among and between students and staff enhance a student's self-esteem.

SERVICES

Cafeteria Food Policy

School food service provides students with a well-balanced, nutritious breakfast and lunch. Snacks may be purchased by students who have obtained a school lunch or who have brought a lunch from home. Students' lunches may be pre-paid for extended periods of time in the cafeteria on Monday morning prior to school or may be paid each day as lunches are received. Free and reduced lunch applications are available from the Main Office, the Guidance Office and on-line at <https://www.collierschools.com/Page/841>. Students who forget their lunch money may receive credit for a milk and peanut butter/jelly sandwich. The cost will be \$2.25 and is due the next day. Breakfast is available each day beginning at 7:40. A snack line food is available; these snacks should not be a substitute for regular lunch. Please speak with your student regarding nutritional expectations. Student behavior in the cafeteria is to be courteous, considerate, and respectful of other people. Each group will be responsible for leaving the tables and area clean for the next lunch period. Any student, who receives a Lunch Detention, will be required to pick up lunch and immediately report to the ISS room. Students also have the option to pack their own lunch and have it with them when they arrive at Lunch Detention. Students must eat in the designated areas for eating and drinking. They may not leave this designated area or the campus at lunchtime. If they must leave for other reasons, they need to follow our check out procedures. Food shall not be taken into the gym or hallways.

Lost and Found

All articles found on campus are to be turned in to the front office. Items that are unclaimed within a reasonable length of time will be given to welfare agencies. Books will be returned to the issuing teacher. A lost and found table will be available in the lunch room.

Textbooks

Collier County Public Schools provides textbooks for all students at no cost. Students are responsible for the condition of the textbooks issued to them. Students must pay for a book that is lost or damaged prior to the reassignment of another textbook. In addition, the student will not be able to participate in extra-curricular activities such as dances, field trips, graduation and athletic events until all fines are paid or the textbook is returned.

Wellness

- **Water Consumption:** There are three locations where students can quickly fill their water bottles. Those locations are the cafeteria, high school hallway and gym. Food or beverages other than water is not permitted in the hallways or classrooms.
- **Fitness:** Everglades City School offers multiple athletic team opportunities throughout the year. Check out the EVG website for more information.
- **Celebration:** We love to honor student birthdays, but please refrain from sending cakes or foods for lunch time celebrations.
- **Community Fitness:** Throughout the school year, students, faculty, staff, and parents are encouraged to take part in community fitness events such as the CCPS 5K and the EVG Booster Club's Glow Run.

PROCEDURES

Address

It is important that the school has up-to-date contact information. If you have a change of address, telephone number, or emergency telephone number, please notify the office and provide the appropriate documentation.

Agenda Books

The Agenda Book is a vital link between home and school. Each student is provided an agenda book to keep track of all assignments. Students are to keep this book in good order throughout the school year. Students should place their name on the ends of the pages in permanent ink to discourage other students from taking their book. If a student loses an agenda they must purchase another for \$5.00. Agenda books also include pages needed for passes from class to class.

Arrival and Departure Time

School starts at 8:05 a.m. and ends at 3:00 p.m. Students have five minutes from the time the first bell rings (8:05 a.m.) to get to homeroom. Students wishing to use the library or meet with a teacher may enter the campus beginning at 7:35 a.m., as long as they have a pass. Our school campus opens at 7:45 am. Students are not allowed on campus before 7:45 a.m., unless they have a pass. All other students will be expected to wait in a designated area until the 8:05 a.m. bell. **Once students arrive on campus, they must stay on campus. Leaving campus to go to the surrounding stores is not permitted. Car riders are to be picked up in the front lot of the school. All other areas are prohibited for car riders.**

Assemblies/Social Functions

During the school year, we will have assemblies for entertainment or educational purposes. Appropriate behavior will be expected of all students. Special instructions concerning proper conduct will be given to you before each particular assembly. Keep in mind that any time a speaker stands in front of a class or an assembly, your attention and quiet cooperation is expected.

Athletics

Below is a quick reference athletic schedule for 2019–2020. The Sports Permission Slips are available on the EVG website. The sports permission slips must be completed PRIOR to participating in any practices. All students participating in athletic events must have the complete sports packet signed with a current **EL2 sport physical, EL3 form, insurance, and 3 required videos from <https://nfhslearn.com/>** to be eligible to play. School insurance forms are available in the front office or athletic office. Student athletes must maintain a **minimum 2.0 GPA** per semester to be eligible to participate. Student athletes must be **at school for the entire school day** on the day of an event **AND** report to school **on time the next day** to be eligible to participate in the next event.

Jill Whitcomb, **EVG Athletic Director** whitcj2@collierschools.com

Attendance

Students are to attend school regularly. Attendance has a direct effect on learning and the attainment of satisfactory grades. The parent or guardian should call the school office at 239-377- 9800 prior to 9:30 a.m. to notify the school of their child's absence. Please call each day your child is absent. If it is impossible to phone the school, send a written note of explanation with your child when he/she returns. This note should be taken to Mrs. O'Connell in the Main Office. Failure to call or send a note will result in the absence recorded as unexcused. If a student is absent for three days or more, you may contact the Guidance Office to obtain homework assignments. In addition, please look on Angel/FOCUS to obtain assignments teachers have posted for the days missed.

A student shall be considered truant when absent without parent or legal guardian permission or when the parent or legal guardian consents to unnecessary absences (e.g., vacations, etc.) which will be recorded as unexcused. When a student exceeds ten (**10**) or more absences, whether excused or unexcused, in a semester, the absences will be reviewed by the principal or designee prior to the conclusion of the school year. It will be determined whether retention, summer school or assignment to an alternative education program will be required before promotion or administrative placement to the next grade will take place.

A parent conference will be required, prior to the conclusion of the school year, to discuss the nature of the absences and the options stated above. The decision of the principal shall be final. In the interest of student academic achievement and curriculum consistency, we discourage the removal of students from school to go on family trips. If this is unavoidable, the parent should send a written request to the assistant principal, requesting the absence be excused. If excused, assignments and work must be made up after the student returns to school. It is the student's responsibility to ask for, complete, and turn in all make-up assignments. Students that need additional support completing their makeup work, should make arrangements with their teacher for assistance.

Again, it is a good idea for the student to continually check Angel and FOCUS for posted assignments. Poor student attendance or poor academic performance may result in a denial of approval for extended absences.

Admission to Everglades City School requires that a student reside with a parent or guardian within the boundaries of our attendance zone. School officials approve out-of-zone attendance permits for very specific educational purposes if students live in Collier County.

Backpacks/Book bags

At Everglades City School, we provide a transition from elementary school to high school. Part of that transition is teaching students organizational skills. Therefore, students **may not carry their backpacks or knapsacks** into the classrooms unless approval is received from the classroom teacher. During the day, students will plan which books to carry to class and use their lockers accordingly.

Bicycles/Skateboards/Hover boards

Students who ride bicycles/skateboards/hover boards to school should ride in a safe and cautious manner on the bike paths provided and wear a bike helmet as required by law. Bikes should be parked and locked in the areas provided.

Bikes/Skateboards/hover boards are to be walked while on school property. Skateboards/hover boards are not to be left in the hallways. Students are not to ride a motor powered vehicle on school property and **skateboards/hover boards are not to be ridden on school property**. Please note that roller blades are also not allowed on campus.

Bus Transportation

The Collier County School System furnishes bus transportation to qualifying students. While riding the bus, students are under the supervision of and responsible to the bus driver. Students are expected to be courteous, well behaved and obedient to the rules set forth in the bus riders' code of conduct given to each rider every year. Riding the bus is a privilege, which may be withdrawn.

Bus Passes

If your child needs a bus pass to go home with another student, the following is necessary:

1. The student must already be a bus rider- students who are out of zone or do not have a bus assignment, are not able to obtain a bus pass per district policy.
2. During non-class time, a written and signed note from a parent/guardian of the rider must be turned into the front desk. The note should include the number of the bus the student will be riding and the bus stop where the student will be getting off.
3. Bus passes must be requested no later than 1:30 pm, any requests made after that time may not be honored.

Calendar

Please check the CCPS website for the district events calendar as well as for the most up-to-date listing.

<https://www.collierschools.com/Page/11570>

Cheating

This is defined as, but not limited to, looking at another's student's paper, holding paper so that another student can read and/or copy, using "cheat sheets", or other concealed information, opening book to answers, giving another student(s) answers or test questions, wiring answers on desk, sharing information via cyber or ECD's, plagiarism, altering/changing answers on class papers, paying or bartering others to do school work.

Disciplinary action relating to cheating:

1st offense: failing grade on work and parents notified

2nd offense: failing grade on work and conference with an administrator, parent, parents, and teacher. Other penalties will be determined from the conference.

3rd offense- possible loss of credit in course; parents notified

Stealing tests, answer keys, or another students work is treated as THEFT. Penalty same as School Discipline Code for THEFT.

Clinic

If a student is ill or injured during the school day, a teacher will give the student a pass to report to the clinic in the main office. If the student is too ill to return to class, parents will be contacted so that transportation home may be arranged. The student may stay in the clinic while parents are in route. If the parents are unable to come the student may stay in the clinic, or return to class if they feel better.

Clubs

More information about joining Everglades City School's various clubs will be available throughout the school year. Take a look below for specific contact information and meeting times.

Club	Advisor	Requirements
P.B.S. Positive Behavior Support	Jill Whitcomb	Teacher recommendation
Student Council	Carey Walker	Nominated/advisor approval
S.W.A.T. Students Working Against Tobacco	Carey Walker	NONE
C.O.R.E Character, Opposing Drugs, Responsible Choices, Expectations	Carey Walker	NONE
Teen Trendsetter	Rebecca Finer	Parent Permission

Counseling Services

The School Counselor is here to be of service to the students. The counselor will be glad to help with an academic or personal problem. If your parents are interested in arranging a conference with your teachers, they should contact the Counseling Office.

Credit Denial

High School Course Credit shall be a function of demonstration mastery of the student performance standards in the course of study as provided by the rules of the School Board. Credit is earned by attaining a passing average for the semester and by accumulating NO MORE THAN (9) days absent. No distinction will be made between excused, validated and unexcused absences when calculating absences for earning of credit. (Excused absences will be considered prior to a decision made on failure to meet the attendance requirements.)

Dismissal

School Dismissal is at 3:00 p.m. On early release days, school dismissal will be three hours earlier at 12:00 p.m. If a student is going home with someone other than the person they are normally dismissed with, parents must contact the front office.

Dress/Grooming Policy

(RULE 11, CCPS Code of Student Conduct)

Students and parents need to be aware of the importance of good grooming and its effect upon the learning environment. Good taste is knowing where and when to wear the appropriate clothing and accessories. Since the home provides the funds, guidance, and upkeep of the student's clothing worn in school, it is the responsibility of the parent to see that grooming reflects the modesty and good taste expected in school. The following dress and grooming requirements are to be followed by all students as may be reasonably determined by the principal. Other requirements may be made to avoid disruption of the educational process. The Principal shall be the arbiter of student dress and grooming in his/her building.

1. Safe footwear shall be worn at all times. No rubber flip-flops or bedroom slippers shall be worn.
2. Halter-tops, tube tops, short shorts, muscle shirts, midriff or backless shirts and blouses shall not be worn. Shoulder coverings must be at least two inches in width. Tops must be three inches below the waistband or remain tucked in in order that the midriff area is not exposed. No bare skin should be exposed at the waist or abdomen area. Clothing must cover the chest area to ensure that cleavage is

not exposed. If a student's fingertips touch skin when the arms are held straight at the sides, then the clothing item is too short and may not be worn.

3. Hair shall be clean and neatly groomed. Unnatural hair color and style shall not interfere with the educational process in the reasonable discretion of the principal or designee.
4. Hats or other head coverings shall not be worn in the school building except for approved areas identified by the Principal. Exceptions may be made by the Principal for head coverings worn for religious purposes. (Head coverings include visors, hoodies, hats, beanies, etc.)
5. Intentionally altered clothing or unbuttoned and ill-fitted garments are not acceptable. Ill-fitted garments include but are not limited to garments that are too small so as to reflect immodesty or too large so as to appear to be falling off the body. Transparent, mesh or see through clothing may not be worn without other appropriate clothing underneath. (No torn jeans.)
6. Clothing shall be free of inflammatory, suggestive, or other inappropriate writing, advertisement, or artwork.
7. The wearing or display of flags on our campuses has historically and currently caused dissension along with a potentially unsafe and hostile learning environment for our students. In an effort to provide safe schools and prevent potential disruption, the following flags are the only ones that may be displayed and/or worn on Collier County Public Schools campuses and at off campus school-related activities: (1) the United States and POW/MIA flags; (2) the State of Florida flag; and (3) official school flags.
8. In addition, any related symbols may not be displayed or worn on campus and at off campus school-related activities. Exceptions to this rule may be made for national flags on special occasions or in designated areas consistent with the learning objectives of the district and at the discretion of the principal.
9. Body adornment (i.e., adornments which pierce flesh) in any visible body part other than the ears shall not be displayed if such display presents a health or safety issue or if such adornment interferes with the educational process in the reasonable discretion of the principal or designee. (Nose ring v. nose ring-chain-earring jewelry.)
10. Costumes, sleepwear or other clothing/adornment that creates a distraction is not permitted.
11. Shorts/pants must be fitted or cinched so as not to slip.
12. Gang clothing, symbols, or other items associated with gangs may not be worn, displayed or carried.

Dress code violation consequences include but are not limited to: parent contact to request a change of clothing, offer of change of loaner clothes from office, Lunch Detention(s), In School Suspension (ISS), After School Detention (ASD), and Out of School Suspension (OSS).

Dress Code for Field Trips:

Students are provided with the opportunity to participate in many extracurricular activities away from school. As a representative of Everglades City School, dress requirements reflect community expectations for these events. Dress requirements will be stated on the field trip permission slip for each event. Failure to dress appropriately for the event will deny attendance and/or participation and the student will be required to remain at school.

Early Pick-Up

If you are picking your student up early from school, please allow enough time for the student to be called out of class and gather their belongings. Students must be signed out through the front office. All students leaving early should be picked up prior to 2:30 pm unless pre-approved by administration. Any release requests after 2:30 pm may not be honored.

Enrollment

Parents/guardians must bring their child to front office to register for school in the guidance secretary's office. All seventh grade students must have a complete immunization record (call the guidance office for details).

If a child is in custody of one parent only, the appropriate custody papers are required. Other papers that are beneficial to enrollment are a copy of the last grade card and a transfer/withdrawal form from the previous school.

Guest Teachers

Substitute teachers are important visitors to our school, who have a responsibility to carry out the instructional plans of the regular classroom teacher. All students are expected to be polite, helpful, considerate and respectful to any substitute teacher in the classroom.

Guidelines for Going To and From School

As you go to and from school, you are a representative of Everglades City School. Therefore, it is important that you behave in a courteous manner. All students are reminded to go directly to and from school without loitering on neighboring property. All students remain under the jurisdiction of the school while going to and from school. Once students arrive on campus at the beginning of the day, they may not leave unless signed out in the office by a parent/guardian. Consequences will be assigned to students that are caught leaving campus.

Homework and Make-Up Work

Homework is an essential part of a good educational program. You can expect to have anywhere from 1/2 to 2 hours of homework on any given night. It is your responsibility to complete all your homework on time and to the best of your ability. When you are absent from school, it is your responsibility to make up your missed class work. In most cases, this work should be turned in to the teacher over the same length of time as your absence from class. For instance, if you are absent for a week when you are back in school, all work should be completed and handed in to your teachers by the end of the following week. If you know in advance that you will be absent for an extended time, it is the responsibility of parents to obtain prior permission from the principal. Failure to do so may result in the absence being recorded as unexcused.

Insurance

Student insurance, from a private provider, will be available for a nominal fee. Information and applications will be sent home at the beginning of the school year. Additional applications will be available in the Main Office.

Interim Progress Reports

All students at Everglades City School will be issued an Interim Report on the dates noted in the calendar. Students should bring home a report on their progress (Interim or Report Card) approximately every five weeks.

Lightning Day Release

On days that we are under a lightning alert during release at 3:00 pm, the following protocol will be enforced:

1. All walkers and bicycle riders will be directed to safe, covered areas at the school until the conditions are cleared or the student(s) are picked up by their parents prior to 3:30 pm.
2. Car riders will only be released to vehicles that are in the proper car line once the vehicle is less than 12 feet from the safety of the covered area at the front of the school.
3. Cars that are lined up along School Drive will need to proceed to the proper car line area.
4. Parents/guardians may walk up and escort their students in person off school property.

**Keep in mind lightning can be present in close proximity to the school even if rain is absent and the sun is*

shining.

Lockers

All students are required to have a locker. For student safety and security reasons students are not permitted to share lockers. A combination lock is issued at the beginning of the school year. This lock is the property of Everglades City School and may be used during the current school year. Students must return the locks to their assigned teacher at the end of each school year. If the lock subsequently becomes lost, the student will have to purchase a new lock (\$5.00). For security reasons, only Everglades City School locks will be permitted on school lockers. If another lock is used, the student will be informed to remove it immediately. Students are not allowed to change lockers without prior approval of the front office or the administration.

The selling of a lock to a student does not negate the right of the Administration to search a locker. According to the Collier County Public School Parent Guide and Code of Student Conduct, lockers are subject to a search/check upon reasonable cause or suspicion the student is in possession of anything prohibited by school rules or by law.

Lanyards and ID Badges

All students, in grades 6-12, are required to properly display their ID badges on a lanyard, around their neck at all times, during school hours. Students who have lost their ID badges must obtain a temporary badge or remain in ISS until they can purchase another ID badge (and the next class change) AND will receive additional consequences based on the number of dress code incidences throughout the year. Students may lose the ability to obtain a temporary badge if they abuse that privilege. Each student is provided one ID badge cost free every school year. It is the student's responsibility to maintain their ID badge, as it is required for admission to class, cafeteria, media, guidance, etc. Additional badges may be purchased in the front office. The price to replace an ID badge is \$5.00.

Media

The Media Center is open from 7:45 a.m. - 3:00 p.m. on regular school days. Books and materials may be checked out for a period of two weeks. All students who come to the Media Center during class time must have passes issued by their teachers. Passes for utilizing the Media Center in the morning may be obtained from the Media Center. Lunch passes may be obtained from the supervising adult in the cafeteria in conjunction with the Media Specialist.

Medications

Whenever possible, medications should be given at home. However, if it is necessary for your child to receive a medication at school, the parent must bring the medication to school in the original container and complete and sign a Medication Authorization Form. If a prescription medication is required at school, the prescribing doctor must also complete and sign the Authorization. This form is located on the District web-site or is available from the school nurse. Medications are kept in the school clinic. Students may not carry medications at school except in very specific situations which require the written approval of the physician, parent and school nurse. If your child has a health condition that requires medication or treatment, please contact the school nurse.

Parent/Teacher Conferences

In an effort to maintain effective communication between the school and the home, conferences with staff members are encouraged. To set up an appointment, please contact the Guidance Office, 239-377-9817, indicate which teacher(s) you wish to meet with, and the guidance staff will arrange for a mutually convenient time. We encourage teachers to contact parents with positive messages and needs improvement reports. Teacher conferences should be arranged in advance.

A conference or classroom visit can be scheduled at a time convenient to all participants. Parent cooperation is encouraged and appreciated.

Parking

Student parking is located behind the high school building adjacent to the gymnasium. Students are not to enter the parking area during school hours without permission from the Administration. Parking is a privilege and may be revoked at any time by Administration. *Administration reserves the right to prohibit students from parking on campus due to any academic, attendance or behavioral concerns.* Parking privileges may be revoked if a student is operating a vehicle in a manner that is detrimental to the safety of others, exceeding posted speed limits, has excessive truancy issues.

Note: Law enforcement officers and school officials working with canine units periodically conduct unannounced check of vehicles on school property.

Physical Education

All students are required to participate in physical education classes. If it is necessary to be excused from class for a day or two because of illness or a slight injury, you must have a written excuse from your parents.

Any request beyond a day or two, or frequent parental requests for excuses from PE must be accompanied by a doctor's excuse. Parents must inform the PE teacher of any physical problems that will limit your participation. A doctor's note may be required. Students must dress out even when excused due to illness or injury, if physically able.

Lockers are provided for PE, separate from hall lockers. The school will make every effort to provide a secure locker room.

We cannot be responsible for articles of clothing and other items left in unlocked lockers. It is imperative that students keep items locked in their lockers and not share their combinations. Separate locks are available for sale.

Locker room is a NO-BYOD-ZONE: It is important to remember that no electronic devices are allowed inside the locker room. If a student is found using an electronic device for any reason inside the locker room they will be referred immediately to the administration, and suspended from school.

Since the PE program is strenuous and active, all students are expected to wear appropriate clothing. In order to meet the class requirement of "dressing out", appropriate footwear, socks, and shorts are necessary. PE shoes should not have black soles. All clothing should be marked with the student's name and laundered weekly.

Pictures

Individual pictures are taken each year and packets are available for purchase. You and your parents will be notified of this in advance of the date. At this time, every student will have his picture taken for the yearbook. No purchase is necessary for your picture to appear in the yearbook. At various times throughout the year, additional student pictures may be taken and packets would be available for purchase.

Report Cards

Report cards are distributed every nine weeks on the dates noted in the school calendar. Parents are requested to sign and return a copy of the Grade Report for quarters 1, 2, & 3 (elementary only). The last report card is mailed home, after the close of the school year. Middle school and high school grades are available online through FOCUS.

Role of the Administrators

The administrators are responsible for administering the discipline policy of the school. This policy will be administered fairly and consistently, keeping in mind that each student is a unique individual.

Searches

The Collier County School Board has a philosophy of zero drug tolerance and in conjunction with this philosophy

will have dogs, which have been trained to detect drugs, search our campus, school building and lockers. These searches will be conducted periodically at Collier County Public Schools.

Florida Sheriffs Association - School Safety Hotline Report drugs, guns, weapons and other criminal activities in schools. Call toll free and remain anonymous 1-877-723-2728.

Safety: Fire and Tornado Drills

Emergency evacuation maps are posted in each class. Your teacher will review the plan with you. For fire drills, when the fire alarm sounds, walk quietly from the building. Stay with your class and await further instructions. Classes will not re-enter the building until told to do so by a supervisory teacher. Upon entering the building, students will report directly back to their classrooms. For tornado drills, follow your teacher's instructions for your specific area of the building.

School Advisory Council (SAC)

At Everglades City School, the school improvement process is a collaborative effort between administration, staff, parents, and interested community members. Our School Advisory Council (SAC) meets monthly to discuss, evaluate, and set school improvement objectives that will inspire all Everglades City School students to reach their greatest potential. An important goal of the SAC team is improved communication between home and school. Increased communication benefits all students and staff as well as the community. Parents are a vital part of the SAC team and are strongly encouraged to attend and participate in SAC meetings.

Social Functions

Participation in all school activities will be governed by student behavior. Students who have been suspended, who have "F's" in classroom conduct, or have excessive unexcused tardiness or absences may be denied participation in extracurricular activities including, but not limited to athletic events, dances, field trips and reward parties. The school discipline code will be enforced at all school functions including meetings, performances, field trips and social functions. The school dress code is in effect at dances.

Student Progression Plan

Florida Statutes mandate that a comprehensive plan be established for student progression from grade to grade. A copy of this plan, approved by the Collier County School Board, is available in the Guidance Office.

Tardiness to school/class

During the course of the school day, EVG students are expected to arrive at school and to class in a timely manner. Any student who is not in the class at the sound of the bell is considered tardy to class. ALL TARDIES TO CLASS, AS WELL AS THOSE TO SCHOOL ARE UNEXCUSED except those which consist of pre-arranged tardies for religious instruction, holiday or tardies for sickness or injury that is attested by written statement from a licensed practicing physician. Tardies to class of ten (10) minutes or more will be considered an unexcused absence. *Car problems and oversleeping are not excused tardies to school.

Tardiness

When students arrive to school after the 8:15 a.m. tardy bell, they are to report to the main office for a pass to notify staff that the student has arrived on campus. A student is tardy when the student arrives after the beginning of the school day. Tardies are cumulative, combined for all periods. Tardy consequences start over after the semester break. The list of consequences for the semester are as follows:

Number of tardies	Possible consequences
1-4	Warnings/ parent contact/parent conference

5-8	Lunch detentions/ loss of privileges/ parent contact/conference
9-12	Lunch detentions/ After School Detention(s)/ loss of privileges/ parent contact/conference (after school detention in which parents are responsible for picking up the student from school)
13-16	1 day ISS, parent contact/conference and attendance/behavior contract
17- 18	Before School Detention and violation of contract
19 or more	OSS (Out of School Suspension) for violation of contract

Students should be in their seats when the bell rings. If another teacher keeps a student after class, the student should request a pass from that teacher. Please do not come to the office for a pass.

If a student arrives on campus between classes, they must report to the office for a pass. If the student does not report to the office, they will receive a referral for being out of their assigned area.

****10 minutes or more late to class constitutes an absence.***

Teacher Planning Rooms/Areas

Students are not permitted in teacher planning rooms/areas or locked custodial areas. Students must be accompanied by an adult in all classrooms.

Telephone use/B.Y.O.D.

You may use the office phone for **emergency** calls only; a staff member must authorize use. Students are allowed to use cell phones before and after school only to text and make phone calls. **Cellular phones must be powered off and concealed from view during the school day** (8:05 AM until 3:00 PM) unless directly instructed to use for a lesson by a teacher. If the cell phone is on or goes off, this is an automatic infraction processed as insubordination and/or disruption of class/school. This infraction will also result in temporary confiscation of the phone. To have the phone returned will require the following:

- Pick up by the parent or family member over 21 years of age.
- Pick up by the student after school and the student will be issued one After School Detention.

(Parents PLEASE do not contact your child by phone during the day. You may risk causing a disciplinary consequence for your child.)

Everglades City School is a **B.Y.O.D. school, Bring Your Own Device for grades 6-12**. More information is available on-line at [CCPS BYOD](#). Students must remember that their parents have to sign the Responsible Use Policy located in their FOCUS portal before a student is allowed to use their device at school. Students are to adhere to the Code of Student Conduct and Responsible Use Policy and practice internet safety at all times when using a device at school. The Principal may choose to permit certain electronic devices during various times of the day, as a privilege. Failure to follow this policy could result in loss of phone privileges for the remainder of the semester.

Locker rooms and bathrooms are a NO-BYOD-ZONE: It is important to remember that no electronic devices are allowed inside the locker rooms or bathrooms. If a student is found using an electronic device for any reason inside the locker room or bathroom they will be referred immediately to the administration, and suspended from school.

Transfer/Withdrawal

When a student is transferring out of Everglades City School, he or she needs to bring a signed note from his/her guardian into the guidance office. A withdrawal form will be issued which then must be presented to each teacher, the Media Center Specialist, and returned to the Guidance Office. All school materials, library books and textbooks will need to be returned, as well as all financial obligations taken care of before the withdrawal slip can be completed.

Visitors

All visitors are required to check in at the main office. Visitor badges are available for those parents wishing simply to have lunch with their students or escort them to their lockers to help with extra loads to carry. For security reasons, it is mandatory that we are cognizant of any person on campus who is not a student or other authorized person. All visitors will have a visitor's badge unless staying in the main office area. Trespassers will be prosecuted.

Walkers/Car Riders

If you walk to school or ride private transportation, it is necessary for you to observe school rules and use the sidewalks provided to walk around the outside of the building. Car riders should be dropped off and picked up **ONLY** at the School Drive entrance directly in front of the school. **Students should not be dropped off in the bus rider loop.** Upon arrival, students should proceed to the designated waiting area. No loitering in 'out of zone' areas. Students may not arrive on campus prior to 7:35 A.M. because there is no supervision on campus prior to the time. Once a student arrives on campus, they are not allowed to leave to go to the gas station, get lunch, coffee shop, etc...

Youth Relations Bureau Deputy

At Everglades City School we have a Youth Relations Deputy. The Deputy assigned to EVG is here to help students better understand the workings of our legal system and how they are affected by it. The YRBD works to educate students to obey laws and prevent juvenile delinquency. Students or parents wishing to meet with our Deputy can make arrangements by calling the school at 377-9800.

STUDENT BEHAVIOR

The educational purposes of Everglades City School are best accomplished in a learning climate in which the rights and responsibilities of every individual are known and respected. Implicit in these rights and opportunities is the responsibility of respecting the rights of others. Everglades City School will be addressing problem behaviors by using Positive Behavior Intervention Support within a Response to Intervention framework. PBIS is a Three Tiered Model of School Supports involving both academics and behavior. Everglades City School has developed a discipline plan based on the guidelines found in Collier County Public Schools' "Code of Student Conduct." Students are expected to conduct themselves at all times in a manner that will contribute to the best interest of Everglades City School and not infringe upon the rights of others. A cooperative relationship between parents, students and educators must exist if the goals of Everglades City School are to be accomplished.

This relationship is exemplified by:

Parents and Guardians Who

1. Keep in regular communication with the school concerning the child's conduct and academic progress.
2. Insure that their child is in daily attendance and report and explain absence to the school.
3. Provide their child with the resources needed to complete class work.
4. Assist their child in being properly dressed, well groomed, neat and clean.
5. Bring to the attention of school authorities any problem or condition which affects their child or other children of the school community.
6. Discuss course selections, report cards, and work assignments with their child.
7. Insure the good health of their child.
8. Foster a positive attitude toward the school.

Students Who

1. Attend all classes daily and promptly.
2. Are prepared in class with appropriate working materials.
3. Are respectful of individual's property and rights.
4. Conduct them in a safe and responsible manner.
5. Are properly dressed, well groomed, clean and neat.
6. Are responsible for their own actions.
7. Abide by the rules and regulations set forth by the school and individual classroom teacher.
8. Seek changes in an orderly and recognized manner.
9. However, a student has the right not to participate in reciting the Pledge and must be excused from it upon written request from his or her parent(s). This shall include not requiring the student to stand and place the right hand over his or her heart. Students who have not been excused are expected to show full respect to the flag by standing at attention with the right hand over the heart and reciting the Pledge.

Rules and Consequences

The purpose of listing these violations and these consequences are to inform students of what is considered unacceptable behavior, and to give students some idea of the consequences for certain actions.

The disciplinary actions listed below are general because it would not be possible to foresee all of the events that may occur in a school year. The consequences listed are guidelines and Everglades City School is not limited to the specific actions listed on the following pages, unless they are specified by school board policy.

EVG Guidelines for Progression of Disciplinary Consequences for MINOR behaviors: 2019-2020

ELEMENTARY (GRADES K-5)	
Infractions 1-3	Time out (single period of ISS)/lunch detention, parent contact
Referrals 3-4	Lunch Detentions/ISS/OSS, parent contact/conference & Behavior Agreement
Referrals 5-6	ISS/OSS and Behavior Agreement, parent contact/conference & violation of Behavior Agreement
Referrals 7-8	Out of School Suspension(s), parent contact/conference & violation of Behavior Agreement, discussion of alternative placement
Referrals 9-10	Out of School Suspension (multiple days), parent contact/conference & violation of Behavior Contract and possibility of alternative placement
Referrals 11+	10 days ISS/OSS, administrative hearing for alternative placement, parent conference

SECONDARY (GRADES 6-12)	
Infractions 1-3	Detentions (lunch, before school, after school), parent contact/conference
Referrals 4-6	After School Detention(s), Parent conference requested/ Behavior Agreement
Referrals 7-9	In School Suspension (ISS), parent conference and violation of Behavior Agreement
Referrals 10-12	Out of School Suspension (OSS), parent conference, violation of Behavior Agreement and discussion of alternative placement
Referrals 13-14	Out of School Suspension (multi-day, 3-and 5-day), parent conference, violation of behavior agreement and consideration for alternative placement
Referrals 15+	10 day ISS/OSS, administrative hearing for alternative placement, parent conference

*This is a typical progression for minor behaviors. There may be some instances where we deviate from this progression depending on the severity of the behavior, number of infractions, and nature of the incidence(s).

* For major behavior incidences, please refer to the CCPS Code of Student Conduct.

ZERO TOLERANCE OFFENSES:

The following offense, without limitation, shall receive the most severe consequences provided for by the School Board policy. This is not an exclusive list.

- A. Sexual battery;
- B. Armed robbery;
- C. Aggravated battery;
- D. Battery or aggravated battery on a teacher or other school personnel;
- E. Kidnapping or abduction;
- F. Arson;
- G. Possession, use or sale of any weapon or fire arm;
- H. Possession, use or sale of any explosive device;
- I. Violations concerning substances
- J. Bullying: intentional/repeated cyber, electronic, physical, verbal or written harassment, defined as purposeful annoyance or disturbance of another student or staff member after warning;
- K. Gang related activity or membership in a secret society;

- L. Bomb threats or threats of wide spread violence;
- M. Other acts of violence.

Lunch Detentions (LD)

Detention will be served after a 24-hour notification and students will have class work or appropriate materials. Failure to serve detention will result in additional detentions or ISS. Teachers have the option of assigning lunch detentions that will be served with the teacher. Students are expected to show up on time. Any student, who receives a LD, will need to go to the cafeteria and pickup lunch and immediately report to the detention room. Students also have the option to pack their own lunch and have it with them when they arrive at Lunch Detention. Fast food that is brought in by a parent is not accepted. Students will not be permitted to enter the detention room later than their assigned time. The student must have school work or a book in order to be admitted. If you cause a disruption, you will be asked to leave and the detention will be replaced with additional ASD, ISS or OSS.

After School Detentions (ASD)

Detention will be served after the student is given 24-hour notification. The student must have class work or appropriate materials. Detentions will be assigned after school Monday through Thursday from 3:00 until 3:30. Failure to serve detention will result in additional detentions or ISS. Any student, who receives ASD, must be picked up by a parent or guardian at 3:30 (for single ASD) or 4:00 (for double ASD).

ISS: In-School Suspension

In School Suspension (ISS) means the student has been removed from the regular classes and placed in a room under staff supervision. This is an alternative to Out-of-School Suspension (OSS), and allows the student to try to correct his behavior without losing credit for school work.

The ISS room will also serve as a disciplinary referral area for time-out for classroom disruption as well as for emergency removal of students (for one class period, or as assigned by the administration). Any student, who receives ISS, will be escorted to the cafeteria to receive their lunch then return to the ISS room. Students also have the option to pack their own lunch and have it with them when they arrive at Lunch Detention. Fast food that is brought in by a parent is not accepted.

The ISS coordinator or the assistant principal will oversee the ISS room/s. Students will receive any assignments from the ISS coordinator who will return the assignments to the necessary teachers. A student may not assign himself/herself into ISS.

ISS In-School Suspension Rules

1. Students are to report to the ISS room before 8:10 am. If a student is assigned for only certain periods, he/she should report before the tardy bell.
2. Dismissal time is 3:00 pm, for all-day placement, or, at the end of the class period for "timeout" referrals.
3. Bring all of your books, several sharpened pencils, and paper. Extra appropriate reading material should also be brought to the classroom.
4. Your class assignments will be provided to you each morning and your completed work will be checked periodically throughout the day and collected prior to dismissal. If your teacher does not provide current class work for you to do in ISS, you still must turn in the missed work the day after you received the assignment. Behavior modification assignments will also be given. These are treated the same as class work.

5. When assigned for an entire day, you will be allowed to go the restroom once in the morning and once in the afternoon. At this time, you may get a drink from the water fountain, and then return immediately to the ISS room.
6. You may not leave your assigned seat without permission. You must raise your hand and be recognized to receive assistance.
7. You may not talk at any time to any other student. Disruptive or insubordinate behavior will not be tolerated.
8. Proper posture must be maintained. Do not rest your head on the desk.
9. Marking on and/or defacing any school property, including carrels, chairs, and walls, are punishable offenses.
10. An absence from school does not count as a day served in ISS. It will be made up upon the student's return to school.
11. Failure to obey ISS rules may result in an assignment to Saturday School or OSS.
12. Students in ISS may assist in "Campus Clean-Up" (picking up litter around campus).

OSS: Out-of-School Suspension

Out-of-School Suspension (OSS) means the student's actions have warranted his removal from school. The student must remain at home for the days indicated on the form (one copy sent with the student, one copy mailed to parents). A student who receives OSS may not participate in extracurricular activities during the suspension and cannot be on any Collier County Public School campus. A student may be suspended for a maximum of 10 consecutive days.

Student Behavior

Any action on the part of a student that would jeopardize the health, safety or welfare of our school community, not previously cited may result in that student being removed, suspended or expelled. Each teacher has posted a set of rules in the classroom. The student is expected to behave accordingly. Consequences for misbehavior are also posted.

Code of Student Conduct

Please refer to the CCPS Code of Student Conduct should any questions arise.

<https://www.collierschools.com/Page/4900>

Appeal Process

Parents have the right to appeal a decision made by an administrator. Proper procedure to follow, if appealing a decision, would be to first contact the building principal.
