

Science National Honor Society Application Form

The purpose of Science National Honor Society is to encourage participation in and recognition of scientific and intellectual thought, to advance the students' knowledge of classical and modern science, to communicate with the scientific community, to aid the civic community with its comprehension of science, and to encourage students to participate in community services and, in turn encourage a dedication to the pursuit of scientific knowledge that benefits all mankind.

This is Barron Collier High School's first year having an honor society dedicated solely to the sciences.

Membership Requirements:

- A Member should be in the last two years of secondary school education, but exceptional sophomore students, at the discretion of the Advisor can be accepted.
- A Member must maintain an **unweighted** GPA of **3.0** and a **3.5** GPA across all science classes.
- A Member must be enrolled in a science class.
- A Member must have completed a minimum of **two honors level** science class prior to 11th grade and must have completed or be enrolled **in one upper-level science class (AP or AICE)**.
- All Members are to earn a minimum of 5 volunteer hours per semester.
- A Member must maintain behavior that is acceptable to the guidelines as outlined by the school's code of conduct.

If you are interested in being part of this organization, please fill out the application on the second page and return to the Science National Honor Society Advisor, Mr. James Humphrey **within 1 week**. Activities will begin in earnest in the 2024/2025 school year.
