

BRIEFING ID#: 11073

Audience: ALL EMPLOYEES

Subject: CCPS Wi-Fi - Updated Procedures for Connecting Personal Devices to the CCPS Wi-Fi Network

Category: District Information

Priority: Normal

Post Date: 07/12/2018

Due Date: N/A

Meeting Date: N/A

Attachment(s):

- [Registering an Android device for CCPS Wi-Fi.pdf](#)
- [Registering an iOS device for CCPS Wi-Fi.pdf](#)

Purpose: To inform district Employees of upcoming changes to the CCPS-BYOD Wi-Fi network which will include an updated Wi-Fi name (CCPS), and the requirement that all students/staff re-register their personal devices for district Wi-Fi access as of July 18.

Briefing:

- On Wednesday July 18th, 2018 the District will be re-naming/re-branding the CCPS-BYOD Wi-Fi network
- **The current Wi-Fi network 'CCPS-BYOD' will be re-named to 'CCPS'.**
- **As of Wednesday July 18th all students, teachers, and staff will need to re-register their personal devices or smart-phones using the updated instructions attached to this iBriefing.**
- Students who were previously authorized for BYOD access prior to this update will simply re-register their devices again (the parent does not need to re-authorize the student's access).
- All personal devices or smartphones which were not purchased by the district should be connected to the 'CCPS' network for Wi-Fi access after July 18.
