

The vision of the Manatee Middle School Counseling Department is for all students to engage in positive academic, social, and emotional habits and to build a foundation of healthy behaviors for lifelong learning. Manatee Hurricanes will obtain the skills and the knowledge to excel in a diverse, technology-driven and global economy with the goal of attending a college, university, technical school, or joining the armed forces. Our students will develop a sense of self and community as they embark on a journey of personal success and active citizenship.
