

## ACADEMIC BOOSTER CLUB

The Gulf Coast High School Academic Booster Club promotes, supports, and facilitates the academic success and achievement of all students at GCHS. As part of its mission, the ABC aims to enhance the academic experience at GCHS by expressing our appreciation of our teachers and staff and by financially supporting the many academic clubs that our teachers sponsor for our students.

The GCHS ABC recently has been revitalized, and we need your help to accomplish our goals. Your generous contribution will help us fulfill our mission by hosting programs and events throughout the year to champion our students and honor our teachers.

**Thank you for supporting public education at GCHS!**

***Please make your check payable to Gulf Coast High School Academic Booster Club.***  
We welcome contributions in *any* amount, but you will receive recognition at the following levels:

SHARK	\$500 and Up Contribution
SILVER	\$250 - \$499 Contribution
