

Gulf Coast High School

ON CAMPUS ORDER DATES:
WEDNESDAY, NOVEMBER 11TH
DURING LUNCH OUTSIDE THE CAFETERIA IN FRONT OF AUDITORIUM

CUSTOM MASCOT

Dear Gulf Coast High School Sophomore and Parent,

This is a courtesy note to inform you that your student received a class ring/class necklace catalog and price list at school today. We will be back on campus to take orders **Wednesday, November 11th** during lunch outside the cafeteria in the courtyard. Please have your student bring the the order form and deposit on order day and we will help finish filling out the form and size their finger.

We are excited for this school year offering 6 new ring styles along with class necklaces with several options of charms for those that want to show off their school pride but not necessarily want a ring. Herff Jones just recently celebrated their 100th Anniversary and I have had the privilege of working with schools in southwest Florida for over 30 years. Your class ring comes with a Lifetime Warranty including FREE resizing.

Rings will be delivered back to school either late January or early February and payment plans are available for those wishing to make interest free payments.

Online ordering is available at highschool.herffjones.com if you would like to order from home. Thanks and we are wishing everyone a safe and a great school year.
