

# Connecting your Collier County Public Schools laptop to your home Wi-Fi network

1. Click on the Wi-Fi icon → 

2. Look for and select your home Router/Wi-Fi network and select the check box

“Connect automatically” → 

3. Click the Connect button

4. Login to the computer using your CCPS student ID as your username

5. Your password is your normal CCPS network password you use to logon to a computer at your school
