

## **GCHS- Girls Golf Team Tryout Information**

All girls interested in trying out for the Girls Golf Team must attend tryouts. Mandatory Tryouts will be held, Tuesday-Friday, August 9th-12th, at Vineyards Country Club, unless stated otherwise. The format will consist of playing 9 holes to figure out the average scoring record for the player. Girls should be prepared to walk and carry or push their bags, as well as have water, snacks, and rain gear handy -- we will play through rain, unless incoming weather is a danger to safety. **Should inclement weather happen, we will take the scoring average for as many holes as they have played. Scoring average will be calculated against par.**

### *Common Questions about the GCHS Girls Golf Team:*

- ❑ Girls will play at or over 5300-5400 yards during tryouts, qualifiers and tournaments
- ❑ 6 or 7 players compete for Gulf Coast in matches and tournaments. We don't have a JV team.
- ❑ Team rules will be passed out at tryouts. Abiding by team rules, as well as attending all practices and tournaments, is required for those who make the team. It's a quick 3.5 month season and those who make it are expected to be present and work hard. An updated schedule of matches and tournaments will be forthcoming once finalized.
- ❑ Please contact the individual courses with questions about dress code.
