

**SY19 Grades 3-10 Florida Standards Assessment (FSA),  
End-of-Course-Exam (EOC), and Next Generation Sunshine  
State Standards (NGSSS) Spring Assessment Results**

The Florida Department of Education (FDOE) released spring assessment results for schools across the state. We are proud of the many school and overall District improvements.

The content mastered in these areas is critical to ensuring that students have the knowledge and skills they need in their pathways toward becoming College, Career, and Life Ready. We appreciate all of the hard work and perseverance of our students, teachers, parents, administrators, District staff, and strong community support.

- The District outperformed or met the State proficiency percentage in 20 of 21 (95%) assessed areas
- Grades 3, 5, 6, and 7 outperformed the State in all areas
- The District outperformed the State in Algebra 1 by 3% and increased year-over-year with students scoring at level 3 or higher (+2 from 2018 to 2019)
- The tested areas of Social Studies increased with students scoring at level 3 or higher for the second year inclusive of 7<sup>th</sup> Civics (+2 from 2018 to 2019) and U.S. History (+1 from 2018 to 2019).

Tables 1a-1c show the District and State results of students scoring at Level 3 or above.

Tables 2a-2c show the elementary English Language Arts (ELA), Math, and Science results by schools.

Tables 3a-3e show the middle school ELA, Math, Algebra 1, Science, and Civics results by schools.

Tables 4a-4e show the high school ELA, Algebra I, Geometry, Biology, and US History results by schools.

“We are proud of the achievements of individual students, schools and the collective District performance. We have met or exceeded the State in 20 of 21 areas and continue to see students gain skills in being College, Career, and Life Ready. Ultimately, our successes can be attributed to the hard work and perseverance of our students, teachers, parents, administrators, District staff, and strong community support.”

-Dr. Patton

*Note: Assessment results reported in this memorandum include scores for all students tested during the spring administration. When calculating school or district grades, not all test scores are included based on multiple factors. Additionally, gains from year-to-year are not included in this preliminary release of scores.*
