

# STUDENT DAILY CHECKLIST

1

## BEFORE SCHOOL

- Before I come to school my parent/guardian will assess my symptoms;** if I have a fever (100.4 or higher), a cough, shortness of breath, loss of taste and smell, am awaiting a COVID-19 test result, or have been in contact with someone who has COVID-19, I will stay home and my parent/guardian may contact my healthcare professional.
  - If I am staying home for any reason, my parent/guardian will contact my school.
- When I am waiting for the bus, I will practice social distancing and wear my face covering\***
  - I will use hand sanitizer when I board the bus, continue to wear my face covering, and sit in my assigned seat.
- I will bring my District-issued device each day to school fully charged (with my charging cord) as well as my headphones/earbuds.**

## HEALTH AND SAFETY AT SCHOOL

- I will bring a water bottle to school and may refill my water bottle throughout the day.
- I will wear my face covering, with both my nose and mouth covered, at all times on campus (with exception of mealtimes and designated physical activity), and social distance as much as possible.
- I will avoid sharing objects with other students, including water bottles, devices, writing instruments, and books.
- I will wash my hands frequently and/or use hand sanitizer throughout the day
- I understand my school health professional will have an isolation area for students that are exhibiting COVID-19 like symptoms and waiting to be picked up from school.
- I understand that if I am determined to be a close contact of an individual who is determined to be COVID-19 positive, I may be directed, through parent/guardian communication, to quarantine at home for up to 10 days.
  - During that time, I will be expected to be present but virtual, and do my work through the Canvas Learning Management System (LMS) if I am well enough to do so.

## USE OF TECHNOLOGY

- Both on and off campus, I will use my District-issued device responsibly, limiting my use to school-related assignments, searches, and communications.** I understand that the District monitors ALL activities on District-issued devices.
- I understand it is my responsibility to ensure my District-issued device remains in good working order and is not damaged or lost.
- I will ensure my District-issued device is fully charged at the start of each school day.
