I, the signed parent or legal guardian of (name of student) _____ grant permission for my child or ward to participate in the registered Before School Program sponsored by Cypress Palm Middle School. This permission form covers the 2020-2021 school year. The School Board of Collier County, Florida will provide for reasonable supervision of specialty classes assuming inherit risk of those activities. These risks are accepted by me, and I release and hold harmless the School Board of Collier County from all liability other than its failure to reasonably supervise my in the new club.

SABRECAT SPIRIT CLUB: This club is designed to help boost the CPM school spirit. We will be coming up with spirit day ideas. We will also be making posters and short videos to celebrate school teams, clubs, grades, and events. We will find ways to promote Sabrecat Pride, find ways to celebrate CPM successes, and work to make each day a great day to be a Sabrecat.

3D Game Modeling- Jump into the work of video game development, taught through creating in-game models and of course, a donut. We'll go through the basics of Blender, texturizing, and a bit of computer science to get you ready for the world of game creation. Chess will also be played to sharpen our minds and put a new spin on mini-games development.

MORNING OPEN GYM - Want to get some physical activity in before the school day begins? Come in and play volleyball or basketball every morning, Monday- Friday

CPM Community Service works to organize programs that benefit others. We will participate in community service projects that impact CPM as well as other local and national organizations. We will brainstorm and implement new ideas where we feel we can make a positive impact. This club provides an opportunity for students to participate in altruistic activities that cultivate a sense of empathy while assisting the community. In this club, we strive to make a positive difference, and we aim to be the change in the world that we wish to see!
