COLLIER COUNTY SHERIFF'S OFFICE YOUTH RELATIONS BUREAU

The Collier County Sheriff's Office Youth Relations Bureau has a long history of working cooperatively with the Collier County Public Schools. The primary functions of the Youth Relations Deputy are to serve as a positive role model to students and to act as a resource to all members of the school community. The YRD is provided to the school by the Collier County Sheriff's Office. Youth Relation Deputies also help to enforce state law on the school campus. If the situation warrants, the YRD will make arrests for violation of state law. Any information given to the YRD, or school administrator, in regards to criminal activity can remain totally anonymous. The purpose of the YRD is to make the school campus safe for all students and faculty.

AFTER SCHOOL STUDENT PICK-UP FOR NON-BUS RIDERS

Unless a student is participating in a supervised and school sponsored activity, they are required after dismissal to exit the building 15 minutes after the end of the school day. *They should leave campus no later than 30 minutes after the end of the school day.* All students who need to wait for personal transportation after school should wait in the covered, car rider pick-up loop on the east side (rear) of the building.

BELL SCHEDULES

Due to social distancing we have had to make and anticipate making further alterations to our bell schedules. Please go to the BCH Website and look under Schedules to see our current bell schedules.

STUDENT I.D. CARDS

At Barron Collier High School all students must display their identification card on a lanyard around their neck while on campus during the school day. Their first identification card with lanyard are issued free of charge during the first week of school. Identification cards contain the name of our school, the student's name, the student's grade and their student number barcode. They are **required** to use their ID card in the Reception Office when leaving or arriving during the school-day, to obtain access to their lunch account in the cafeteria, to enter the Media Center, to check in and out of BCHS Offices, to record rule violations, and for entry into some school events and functions. *Students are not to be in possession of another student's ID.* This is a violation of the CCPS Code of Conduct under Rule 16. Students should be ready to show their ID card if requested by school staff. Lost, damaged or forgotten identification cards must be replaced at the student's expense. New identification cards are available for the purchase price of \$3.00 and a lanyard may be purchased for \$2.00 These may be obtained from the In-School Suspension Supervisor, in Room 106, before and after school and during lunch. Students who are tardy and don't have an ID, should report directly to Room 106 for a new ID and a pass. Not having an I.D. card on a lanyard is a violation of the CCPS Dress Code and may result in disciplinary consequences per our progressive discipline (please see the Dress Code section in this handbook).

HALLWAY LOCKERS

Due to current social distancing restrictions students are not able to use hallway lockers this year.

BUS TRANSPORTATION

CCPS bus transportation is provided for all students who live outside of a two-mile radius of Barron G. Collier High School. Information regarding bus stops can be found on the Collier County Public Schools website, www.collierschools.com. Buses typically arrive at BCHS by 7:00 AM. Students who are transported home by a CCPS school bus are given 6 minutes after dismissal at the end of the school day before their bus leaves. On a regular school day, buses will leave by 2:11 p.m. CCPS buses have other routes to make and must leave promptly every day. If a student misses the bus, they may use the telephone in the Student Services Office to make other arrangements in order to get home. For questions concerning routes, stops, or bus drivers, contact CCPS Transportation at 377-0600. New students may receive a bus-boarding pass from the Student Services Office.

Students may only ride the bus that they are assigned to ride. They may not ride home on another bus unless there are extenuating circumstances, if so, please send in writing to Student at jackropa@collierschools.com the day before the requested bus pass. Please include a parent contact in the email.

Students are required to sign in and off of the bus with their student ID badge, so it is imperative that they have their ID on their person.

Collier County Public Schools has an app that allows you to track your student's bus to help you know where your student is at all times and if there is a delay. You can find information on how to access and utilize this app at this link: <https://www.collierschools.com/Page/12820>

CLINIC

When a student becomes too ill to remain in class, they should ask their teacher for a pass to the Clinic in the Student Services Office. **When a student reports to the clinic, they must use their ID to scan in with the school nurse.** Failure to do this may lead to an UNEXCUSED ABSENCE. If a student is too ill to return to class, their parent will be notified so that arrangements may be made to send the student home with an EXCUSED ABSENCE. Otherwise, most students will spend no more than 15 minutes in the clinic.

Please do not have your student text you to go home without first coming to the nurse, this will expedite the process for you as well.

TELEPHONE USE

For emergency situations, students may ask to use a telephone in the Student Services Office. Students may use their cell phones between classes and during lunch, however, while class is in session they are required to have their teacher's permission.

SMOKE AND TOBACCO FREE ENVIRONMENT

School Board Policy bans smoking and use of tobacco related products from all school board property. All school district locations, including support facilities (e.g., athletic fields, administrative offices, maintenance and transportation areas, etc.) and the surrounding area, is to be smoke and tobacco free. Employees, students, and visitors are not permitted to smoke, or use tobacco products, on school district property, or in district-owned vehicles, at any time including after school functions (e.g., sporting events). Consequences: Students of Barron G. Collier High School who are in violation of this rule will receive consequences based on the guidelines of the CCPS Code of Student Conduct and Barron G. NETWORK USE POLICY

Collier County Public Schools (CCPS) believes that computer networks (“networks”) offer vast, diverse, and unique resources to students, teachers and other users. The goal of CCPS in providing computer networks to students, teachers and other users is to promote educational excellence in schools by facilitating resource sharing, innovation, and communication. The use of the networks is for the purpose of instruction, study, and research related to the curriculum. This Network Service Use Policy will guide the instructional use of the network. The Network Service Use Policy applies to the following areas: school assigned laptops/devices, stand-alone computers, local school area networks, county wide area networks, telecommunications systems, the Internet, and any other technology devices provided by CCPS.

CCPS does not sanction any use of the networks that is not authorized or conducted strictly in compliance with this policy. Users who disregard the Network Service use Policy may have their use privileges suspended or revoked. In addition, appropriate disciplinary action may be initiated against those who violate this policy. Users granted accesses to the Internet through the network assume personal responsibility and liability, both civil and criminal, for uses of the network not authorized by this policy. Network users will: a) be polite and shall not use profane language and/or symbols in their communications to others, b) keep their own or anyone else’s personal address, phone number, or password confidential, c) not access or download any obscene, pornographic material or materials that advocates violence toward other people, d) recognize that information stored on the network, including electronic mail (e-mail), is not private, e) use only the account authorized by the school or instructor, f) use the computer/network in a manner that does not disrupt the use of the network by other users, g) not harm or destroy school equipment or data of other users including the uploading or creation of computer viruses, and h) follow all copyright laws according to School Policy No. EGAA. Network users and the parents or guardians of students are advised that all communications on the Internet are not limited by CCPS. By participating in the use of the Internet, students may gain access to information and communication that they or their parents/guardians may find inappropriate, offensive, or controversial. CCPS is not responsible for monitoring a network user’s use of the network. The network user and their parents/guardian shall hold CCPS harmless from damages or injuries that result through the use of the network.

BYOD / “BRING YOUR OWN DEVICE”

BYOD is an acronym for Bring your Own Device. For BYOD, a "device" is a privately owned laptop, tablet computing device, netbook, notebook, e-Reader, iPod touch (or similar), or cell/smart phone. For the purposes of this program, the term "device" also includes any similar product owned by Collier County Public Schools (CCPS) and provided for student use.

Guidelines

1. In order to utilize the CCPS wireless network (specifically Internet access and related applications) as well as participate in the BYOD program, students and a parent or legal guardian must review and sign the Responsible Use Policy. This will be considered a legally binding agreement.
2. The student is fully responsible, at all times, for the personally owned device brought to school. CCPS is not liable for any loss, damage, or theft of a personally owned device.
3. The student is responsible for the condition of the device brought to school, including updates, antivirus software, and repair.
4. Personal devices should be charged and recharged outside of school, unless specific permission is granted. Personal devices should be capable of lasting a full day without recharging.
5. Device use is limited exclusively to schools participating in the BYOD Program. Outside these schools all electronic devices should be turned off and should not be visible.

6. Devices may only be used in certain approved areas of the school. Students may not use devices in parts of the school designated as no technology zones or any other areas where devices are not permitted.
7. Students may not use any device or service for non-educational purposes during school hours, unless granted permission by a school administrator or teacher.
8. Students must use the District's BYOD wireless network when at school. Students may not use a cell phone or service provider's data network (3G, 4G, LTE, etc.) or any other wired or wireless network other than the BYOD network.
9. CCPS is not responsible for any data charges that a student may incur from a service provider as a result of not following policy of only using the BYOD network while at school.
10. As part of the BYOD Program there will be mechanisms in place such as signage and verbal communication to indicate when devices can and cannot be used. Students will observe and follow these procedures at all times while at school.
11. No device, personal or otherwise, may be used to record, store, or transmit any type of image, sound, or video from CCPS, except for approved projects with the express permission of the teacher.
12. If reasonable belief exists that the student has violated the terms of this agreement, or other district policy, the student's device may be inspected and/or confiscated. Subsequent or additional disciplinary action involving misuse of technology may extend to loss of technology privileges or further action as determined by CCPS.

SCHOOL COUNSELING SERVICES INFORMATION

Please see the BCHS Guidance Website (www.collierschools.com/bch) for a wide variety of information including community service, college/career links, financial aid and scholarships, enrollment procedures, etc.

Scholarship and Financial Aid Information: A scholarship list is published on the school district website at www.collierschools.com. This list is updated routinely by the Community Foundation of Collier County which offers a search engine for students and parents. Scholarship presentations are held in October in senior English classes and Financial Aid Night takes place in September/October.

College Visitations: Primarily August through December, Barron Collier hosts a number of presentations by representatives from individual colleges and universities throughout Florida. Notice of these visitations is announced on the daily announcements. Students who wish to attend a presentation (conducted during the school day) must sign-up at least a day in advance in the Guidance Office. These students will be issued a pass to be excused from class for the presentation.

In addition, Collier County hosts an extensive College Fair in the fall at a designated high school. The Fair includes representatives from colleges, technical and arts schools, and universities throughout Florida, as well as representatives from some out-of-state institutions. Parents and students will be notified of the date and time of this event, which is usually held in September.

Requests to See a Counselor: A student, who wishes to see their counselor, should make an appointment in the Guidance Office. Students and parents should work with their assigned counselor. They will be given a pass for the scheduled time. Parents who wish to see a counselor should contact the Guidance Office at 377-1216 to schedule an appointment or contact their counselor directly. Counselor phone and email contact information is listed on our Barron Collier website.

Withdrawals, School Records, Changes of Address and Transcripts: Requests pertaining to any of these should be directed to the Guidance Secretary/Registrar at 377-1216.

Out-of-Zone Requests: Students who attend Barron Collier H.S., as "Out-of-Zone" or "School Choice" students must apply for their initial acceptance. Requests are granted for the number of years necessary for the student to graduate high school in four years. Parents should submit such requests in December of the year preceding a student's enrollment to avoid scheduling delays for the next school year. Parents should contact the Guidance Secretary for further information.

Parent Informational Meetings: A variety of parent informational meetings will be scheduled during the year such as grade level specific meetings, testing interpretation, and financial aid planning for post-secondary education. Please refer to the BCHS newsletter, the BCHS website, BCHS Facebook/Twitter accounts and the school marquee for scheduled dates and times.

The SAT/ACT: *Seniors should take one or both exams in the fall of their senior year. Juniors should take one or both exams in the spring of their junior year. While some universities have a preference of one exam over another, most accept either. See the student's counselor with questions.*

The **PSAT** is taken by all sophomores in the month of October. This is an SAT practice test with a detailed score report for students and parents. Students achieving high performance during their sophomore year will be encouraged to take it again junior year, as a qualification for potential National Merit Scholarships.

The **ASVAB** is an excellent test correlating aptitudes and career interests with "results" indicating possible career choices for students. This optional test is open to all students at the 11th and 12th grades. Test results relate to both military and civilian careers.

SCHOOL MESSENGER /AUTOMATED DIALER SYSTEM

Whenever a student misses classes in a school day, Collier County Public Schools will attempt to call the student's home through an automated dialer system called School Messenger. This is our way of letting you know that we have recorded an absence. **This will be done for all absences, even if BCHS has already notified regarding the reason for the student's absence.** The dialer begins calling at 4:00 p.m. ***If the dialer calls, and you have questions about the reported absence, please call the Student Services Office at 377-1229.***

EXEMPLARY ATTENDANCE

Students who attend school every day are recognized at the end of each school year. Students may be given recognition for one to four years (grades 9-12) of Exemplary Attendance at Barron G. Collier High School. For this award, we do not recognize attendance records transferred from schools outside of C.C.P.S. To qualify for Exemplary Attendance you may only be out of school for part of the school day or all of the school day for school related absences or absences for religious holidays representing your faith.

RESTRICTED PARTICIPATION IN SCHOOL SPONSORED EVENTS

The Administration of BCHS reserves the right to restrict student participation in school sponsored events, e.g. Homecoming Dance, Prom, assemblies, rallies, etc., based on student academic, attendance and disciplinary records.

MAKE UP WORK AFTER ABSENCES

- a. Students are encouraged to make up and complete all work missed due to an absence. ***After returning to school, it is the responsibility of the student to request work from their teachers on the next day that the class, which they have missed, meets.*** Students are further encouraged to reach out to their teachers via Canvass while they are absent to limit what they miss. If these arrangements are not carried out within the time period set by the teacher, the student will receive an F for the work missed. Students may be required to complete make up tests after school.
- b. The time limit for students to complete make-up work and tests, after an absence, will be no less than the length of the absence from the class. Some long-term assignments, which were given before the student was absent, may have to be turned in or completed on the first day the student returns to the class.
- c. Students who come late to school, or are excused for an early dismissal, are expected to make an effort to turn in any major projects and assignments that were due for that day.
- e. In cases of 4 or more days of absence, Students or their parent are encouraged to make contact with Barron Collier High School. They may either call the Guidance Office (377-1216) to make a homework requests, or email teachers to request missed work. All teacher email addresses are listed on the BCHS website under "Faculty". For a request through Guidance, allow 24 hours for the Guidance Office to contact teachers and collect materials. Plan to pick up assignments at the end of that day.
- f. **Homebound Instruction** – When a student is absent from school due to a medical condition for at least fifteen (15) consecutive school days, or due to a chronic condition for at least fifteen (15) school days, which need not run consecutively, the parent should consider having their child placed on homebound instruction. To initiate this, a parent will need to contact the ESE Office (377-4671) to obtain the necessary forms.

PRE-ARRANGED ABSENCES

Absences from school should always be avoided if possible. However, if a parent knows that their student will be absent for three or more days, it is suggested that a "Pre-Arranged Absence Form" be completed. To initiate this process, parents are asked to provide written notice to the Attendance Office. This should be done at least ***one week in advance*** of the planned absence. The Attendance Office will give the student two forms to be completed. Both forms must be completed, signed and returned to the Attendance Office. ***Students with a pre-arranged absence, which would result in missed final examinations, will not be permitted to take their exams early.*** The student must arrange to make-up final exams with the Assistant Principal for Curriculum & Instruction.

SCHOOL CHECK OUT PROCEDURE

Students who have an appointment, that is going to require them to check out of school early, should **bring a note** of explanation from their parent to the Attendance Office. This should be done no later than the morning before the start of the school day for which they need to be excused. The Attendance Office will issue the student a pass indicating the checkout time. If the checkout time is during a class, the student is to present the pass to their teacher at the beginning of the class period. For parent requests for dismissal by telephone, call at least 30 minutes prior to the requested check-out time. Students are reminded to show their ID as they exit through the Reception Office. If a student returns to school before the end of the day, they must enter through the Reception Office.

PLEASE NOTE: Due to the number of calls to the Attendance Office, telephone messages and late calls requesting an early check out may not get heard until after the requested checkout time. It is best for a student to bring their parent's note to the Attendance Office on the morning of the day in which they need to leave early or call 377-1229 at least 30 minutes ahead of requested dismissal time.

DELIVERY OF NON-SCHOOL ITEMS

Delivery of non-school items, i.e. balloons, flowers, birthday cakes, etc., will not be accepted by the Reception Office. We will do our best to get assignments, lunches and school books delivered by parents to their students during the school day, but other items may not be announced until the end of the school day.

Students may not receive food deliveries from anybody other than their parent and these will only be available for students to collect during their lunch period. Restaurant and food delivery services will be turned away at the reception area.

BCHS CODE OF STUDENT CONDUCT

Students are expected to be serious about their studies and to exhibit conduct that will contribute to a safe and orderly environment at Barron G. Collier High School. Their conduct should allow for optimum learning conditions, and should not infringe upon the rights of others or provide a distraction from this pursuit. The following rules for student conduct at BCHS are guided by, the CCPS Code of Student Conduct, which have been approved by the Collier County School Board. These rules define improper and inappropriate behavior and the disciplinary consequences students will receive. The administration aims to deal with all disciplinary referrals in a fair and consistent manner. The administration believes that each student is an individual and that there may be varying degrees of involvement in any violation. ***Specific disciplinary consequences often depend on the severity and circumstances of the violation, unless prescribed specifically by school board policy.***

Please note: Barron G. Collier High School is not limited to just the specific disciplinary actions listed on the pages in this handbook. An updated copy of the CCPS Student Code of Conduct will be posted on the BCH website under Student Services. ***SOME RULES MAY ALSO CHANGE OR BE MODIFIED IN THE CCPS STUDENT CODE OF CONDUCT DURING THE YEAR. ALL BARRON G. COLLIER HIGH SCHOOL CODE OF STUDENT CONDUCT AND CCPS CODE OF STUDENT CONDUCT RULES APPLY TO ALL SCHOOL ACTIVITIES WHETHER OR NOT THE EVENT OCCURS ON OR OFF CAMPUS. THIS INCLUDES SCHOOL TRIPS.***

CLASSROOM REFERRALS

A student's teacher will record three classroom referrals for minor disruptive behavior and failure to follow rules prior to issuing a

detention or Office Discipline Referral. Classroom referrals are official warnings aimed at correcting a student's behavior before imposing more severe consequences. Classroom referrals can be written for 1) Failure to Follow a Request, 2) Insubordination/Disobedience or 3) Disruption. The first classroom referral documents a verbal warning from the teacher. The second classroom referral is a message from the teacher to the student's counselor, making them aware of the concern. The third classroom referral documents a telephone call or email communication with the student's parent. The classroom referral is completed with the understanding that any continuance of the same behavior will result in a detention, at the very least, or an Office Discipline Referral to the Student Services Office.

DETENTIONS

For minor infractions of the discipline code, either an administrator or a teacher may assign a 30 minute detention. Teacher Detentions given in conjunction with one of the first three classroom referrals will be noted as such. **Administrative detentions are served after school in the ISS room, #106.** Students who have been assigned a detention need to report at 2:10 PM. Teachers may also assign detentions to be served under their supervision in their classroom. Typically, unless approved by administration, students who have been assigned a detention must serve them within five (5) school days. Failure to follow the detention rules will result in further disciplinary consequences.

Detention Rules:

- a. Students are expected to serve a detention within three student days of when it is issued. The student's parent may appeal for extenuating circumstance to reschedule the detention for a date after the 7 school-day allowance.
- b. If a student is absent on the day of a scheduled detention, they are expected to serve the detention the next day that they return to school.
- c. All detentions will be for a 30 minute period.
- d. Students must read or study quietly while serving a detention.
- e. Students will not be admitted late to detention.
- f. Sleeping or having your head down is not allowed.
- g. The detention supervisor determines seating assignments.
- h. Students must raise their hand and be recognized if they have a request.
- i. Students are not to leave their assigned seat without receiving permission from the detention supervisor.
- j. All other rules of the BC and CCPS Code of Student Conduct are to be followed.

IN-SCHOOL SUSPENSION (ISS)

Students are assigned to ISS for some discipline code infractions. In-School Suspensions are served at Barron G. Collier High School in room #106. Time served in ISS is excused and does not count against a student's attendance record. Failure to successfully serve ISS will result in assignment to Saturday School or Out of School Suspension for insubordination.

ISS RULES:

- a. ISS is assigned by the BCHS administration. A student may not assign themselves to I.S.S.
- b. Students must read or study quietly in ISS
- c. Food or drink is not allowed.
- d. Sleeping or having your head down is not allowed.
- e. The ISS supervisor determines seating assignments.
- f. Students must raise their hand to be recognized if they have a request.
- g. Students are not to leave their assigned seat without receiving permission from the ISS supervisor.
- h. All other rules of the BC and CCPS Code of Student Conduct are to be followed.

Students who have excessive assignment to ISS (more than three) in a school year are subject to being placed on an Attendance/Conduct/Grades Agreement. This may result in OSS or Alternative Placement for a continuance of discipline code violations.

SATURDAY SCHOOL

Saturday School is assigned for some discipline code infractions. Students assigned to Saturday School are required to report to the Main Entrance to the building on the west side of BCHS at 7:45 AM on the Saturday that they are assigned to serve. At 8:00 AM they will be brought into the building and given their seat assignment for the two-hour period of silent study. ***Failure to successfully serve Saturday School will result in the student being assigned a one day Out of School Suspension for the next school day following that Saturday.***

Saturday School Rules:

This includes all after school events. It is the student's responsibility, upon their return to school, to get make up assignments from their teachers. The teacher will also provide an appropriate makeup date on which the makeup work is due.

The Principal shall conduct a brief informal hearing after notice to the student and parents, during the suspension period, to consider whether to recommend the alternative placement.

ZERO TOLERANCE

In order to promote a "safe and orderly" environment, the School Board of Collier County has implemented a zero tolerance policy against school violence, crime, and the use or possession of controlled substances or weapons. The Code of Student Conduct states that "the following offenses, without limitations, are listed in the Code to ensure that students found to have committed the offenses on school property, school sponsored transportation, or during a school sponsored activity shall receive the most severe consequences provided for by School Board policy. This is not an exclusive list.
