Riding the bus is a privilege. Good behavior is always expected.

1. Transportation is only available to students who are eligible to ride the bus for regular pick-up & drop off.
2. Students must have this bus permission form signed and on file at the school to ride the BEP bus.
3. Students must obey the driver. The driver is in charge once they are on the bus.
4. Students may only ride the After-school bus on days that they attend.

I fully understand the above information about the behavioral expectations of riding the After-School bus. I understand that if my child breaks any of these rules, he/she will no longer be able to ride the After-School bus.
