

Oakridge Middle School

Virtual Classes Expectations

- Be on time to class! After five minutes, the class will be “locked” and then you must message the teacher to be let into the class.
- Make sure to follow the class schedule on FOCUS and not the titles in Canvas.
- Don’t forget to follow the rotating schedule as well as the bell schedule. We will continue to send both out weekly via email and in Canvas.
- Double blocked class require that you attend BOTH blocks of the class.
- Have your camera on at all times to be marked present!! If the camera is turned off, you are not in the class.
- Keep yourself and the laptop stationary (no moving it around, taking it to the bathroom)
- If you did not attend a Web Ex due to computer issues, your parent must contact the school attendance office. They can email CampbeLi@collierschools.com or call 239-377-4805.
- Have a doctor’s appointment and going to miss class? The school will need to be notified just as if the student is in person at school. Without documentation, you will be marked unexcused absent.
- Everyone has to follow the CCPS Code of Conduct including dress code at all times. Any behavior deemed inappropriate or that is against the code of conduct and expectations can result in being sent to the "waiting area" for a time out, or removed from the virtual class and subject to disciplinary action by the school.
