

Dear PME Families,

Thank you for your interest in making certain that your child's learning needs are addressed when class placements are made. Our staff makes every effort to ensure that each student is placed with a teacher who can provide the best learning environment for your child. In a school with a population that ranges between 700-720 students, we cannot guarantee placement with a specific teacher. However, we will do our very best to place your child with a teacher who maintains the characteristics that you believe will help your child to have a most successful school year.

The information you complete below will help us in making an appropriate decision regarding the teacher assigned to your child. Thank you for taking the time to provide us with this information.

Student Name: _____ **Grade (2021-22)** _____ **Date** _____

* Note: If a teacher's name is referenced and/or there are no characteristics listed, we will kindly return the form to you for appropriate completion.

** **Characteristics** My child would benefit from a teacher who demonstrates the following characteristics (Note: **Please do not** include an individual teacher's name):

- 1.
- 2.
- 3.

Special needs/learning styles of my child:

Parent Signature: _____ Date _____

Please return this form to the main office no later than Friday, April 22, 2022.
