Pinecrest Parent Activity Calendar

Come to School the Eagle Way On Time...All Day...Every Day

We've Got GRIT. We Don't QUIT!

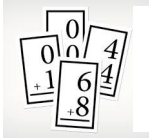

A Word From the Principal...

Our school's grade is something we are proud of. Pinecrest has been an "A" and "B" rated school for the past 3 years. That hasn't happened by chance! We depend on our parents and their support in ensuring their child is at school all day, every day. The education our students receive on a daily basis is one we cannot replicate.

Home Tips for School Success:

- Develop morning and evening routines for homework and device turn off/on times
- Read together daily
- Ensure your child is packed and ready for school prior to going to bed
- Lay out clean clothes the night before so your child feels prepared

Together we can continue to do great things! We appreciate our parents and their support of their child's education!
