# ***Classroom Parent Liaisons Needed***

That's where you come in! As a designated Classroom Parent Liaison (CPL), your primary role will be to serve as an information bridge that can keep your classroom parents/guardians informed of all PTO activities throughout the school year. Equally important will be your ability to provide the PTO Board with information and input as it relates to comments, suggestions and ideas from your classroom parents. If you are interested in volunteering, please email us at [tommiebartieldpto@gmail.com](mailto:tommiebartieldpto@gmail.com)
