1 Credit Fine & Performing Arts, Speech & Debate, or Practical Arts

1 Credit Physical Education

- To include the integration of health.

8 Elective Courses

1 Online Course

- Students must earn a 2.0 GPA on a 4.0 scale

ADVANCED STUDIES CURRICULUM

Naples High School offers the Collier County Public Schools Advanced Studies Laureate Program to provide a rigorous academic course of study and to challenge and recognize high-achieving students. Although centered on College Board Advanced Placement (AP) and Cambridge Advanced International Certificate of Education (AICE) courses, the program encompasses other activities that enhance a student's general background and preparation for higher education. In addition to participating in at least two school-based demonstrations of excellence per year, students must present their 4,000-6,000 word Laureate essay to a panel of faculty and community members. The program assumes each candidate's exceptional motivation, aptitude, and achievement while encouraging high levels of integration of ideas and application of skills.
