WELCOME TO NAPLES HIGH SCHOOL!

The Naples High School *Student Planner* provides information about rules, responsibilities, and privileges for students at this school. All students are expected to become familiar with this information.

Students, we encourage you to take advantage of the academic and extracurricular opportunities that are available at Naples High School. The administration is ready to help with any questions or needs that might arise. Welcome, and make it a great year!

ACTIVITY/ATHLETIC CODE OF CONDUCT

The Collier County School Board invites all students (hereinafter referred to as participants) who possess the ability, attitude, cooperative spirit, and desire to favorably represent our secondary schools to become candidates and participate in our interscholastic or extracurricular activities programs. For the purpose of this *Code (Activity/Athletic Code of Conduct)*, interscholastic or extracurricular activities (hereinafter to include school based meetings, practices, performances, games, contests, etc.) applies to all Florida High School Activities Association, other state sponsored activities and all other Collier County Public Schools High School sponsored organizations, officers, participants and/or members on the following conditions.

Participation in these activities is a privilege rather than a right. There is a relationship between a participant's behavior on and off school property and the exercise of the participant's privilege to participate in these activities. Participants are representatives of their school and of their fellow students. They have higher visibility and greater recognition, assume leadership roles and become examples for their peers. This creates a duty and responsibility on the part of a participant to conduct himself or herself, on and off school property, in a proper manner. There is a relationship between these activities and a participant's health, physical and mental ability, social competence and discipline. Appropriate behavior by a participant can contribute significantly to the overall character of participants and non-participants.

In order to maintain a high level of performance in interscholastic or extracurricular activities, all candidates are required to subscribe to and abide by the rules set forth in this *Code*. However, coaches, music directors, and club/class sponsors have the discretionary authority to deviate from them only to establish additional standards and rules for their respective activities that are more rigorous and restrictive than those already outlined, if they are consistent with the philosophy of this *Code*. Such additional standards and rules must be reviewed and approved for their appropriateness by the activities coordinator and the principal before being applied to a participant for an unusual or special circumstance. In the event a participant fails to comply with these high standards, it shall be interpreted by the coach, music director, or sponsor as an indication that the participant does not have sufficient desire to participate in the chosen interscholastic or extracurricular activity program.

Failure to comply with the *Code* may result in temporary or permanent suspension from interscholastic or extracurricular activities, as set forth below.

Copies of the Collier County Public School's *Code* will be discussed and distributed to all participating students at their respective schools at the beginning of each activity period or school year, or at the time a student may initially transfer into a Collier County Public School. Parents will be invited to attend an activities meeting to receive information and discuss the *Code*.

The Random Student Drug Testing applies only to those students who are participating in an FHSAA-sponsored sport and/or cheerleading: Participants engaging in these activities must agree to submit to a random drug test, without prior warning, whenever called upon

to do so by school administrators. The participant and his / her parent or guardian must sign a consent form to that effect before the student will be permitted to participate in any manner. The random drug testing program will be carried out under the authority of School Board policy, and every effort will be made to protect the privacy and confidentiality of the students. A positive result of a random drug test will be considered sufficient evidence of a violation of section IV. B of the *Code*, and consequences will be assigned in accordance with section IV - B of the *Code*. (Please refer to the *Code* for additional, more specific information, about the Random Student Drug Testing Program.)

ADMINISTRATORS OF ATTENDANCE AND DISCIPLINE

Mr. Stanley Bryant and Mrs. Amanda Holderfield

Students are expected to observe the rules of the *Collier County Public Schools Code of Student Conduct* during the school day as well as at all school activities and athletic events. Failure to comply will result in disciplinary action. Many factors are taken into consideration at the time of the disciplinary actions (e.g., number of previous referrals, type of rule infraction, attendance, etc.). Students have the right to appeal any disciplinary action.

Disciplinary action for *minor* conduct violations may include but not be limited to the following: Verbal warning, classroom detention, ASD (after-school detention), lunch detention, parent conference, removal of privileges (i.e. parking, school-related activities), attendance/ behavior plan.

There are four types of disciplinary actions for *serious* conduct violations:

1. ***Emergency Removal:*** Students may be removed from a class or activity if the student's presence poses a continuing danger to persons or property or if the student's presence is an ongoing threat of disrupting the academic process.
2. ***Removal by Teacher:*** A teacher may ask that a student be removed from class if the behavior is so unruly, disruptive, or abusive that it seriously interferes with the teacher's ability to communicate effectively with other students in the class or with the ability of the other students to learn. If a student is removed from class, the principal or designee may place the student in another appropriate classroom, in-school suspension (ISS), or in an alternative education program; or the principal or designee may recommend out-of-school suspension, or expulsion as appropriate. Students may also be prohibited from attending or participating in school-sponsored or school-related activities.
3. ***Suspension (in-school, out-of-school):*** In-school suspension (ISS) is defined as removal of a student from the regular school program and placement in the in-school-suspension room for up to ten days as a disciplinary measure. Out-of-school suspension is defined as the removal of a student from instruction and school-sponsored activities for up to ten days as a disciplinary measure. Students placed on an out-of-school suspension are remanded to the custody of their parents and may request specific homework assignments for the student to complete (for non-zero tolerance offenses only).
4. ***Expulsion:*** Expulsion is defined as prohibiting the attendance of a student in school for more than ten days or separating a student from the school system, with principal or School Board discretion, for a period not to exceed the remainder of the current school year and one additional year, for most disciplinary infractions.

Any act that disrupts the educational process is taken seriously and addressed by the school administration. Students can avoid disciplinary action by staying away from these common conduct violations. (Other violations do exist – refer to *Collier County Public Schools Code of Student Conduct*.)

1. Illness (medical evidence may be requested).
2. Death of a relative.
3. Religious holiday(s) of the specific faith of the student.

Regular Bell Schedule (Insert Attached File Here)

**Special Schedules
(Insert Attached File
Here)**

Tardy To School/Class

Students are expected to be in class by 7:10 AM. No student will be admitted to class after 7:10 AM unless they have a pass from the Student Services office. Failure to sign in through this office will result in being recorded as absent. Detentions may be issued for tardiness. Habitual tardiness will be addressed through disciplinary action beyond a detention. Ten (10) or more minutes tardy to class without an excused pass will result in an unexcused absence being recorded and these absences will be included in the credit denial process. Any student that drives to school and parks in the student parking lot will be required to access campus using the video enabled buzzer system on the north side of the gymnasium. A photo i.d. will be required to be shown at that time.

Procedure for Early Dismissal

1. Parent/guardian must provide written permission that includes a contact telephone number, the time and reason to leave campus, and the mode of transportation the student will use to leave campus upon arrival at school. Attendance office staff will issue a dismissal slip allowing the student to leave campus. In order to avoid calling into the classrooms and causing a disruption of instruction, parents should plan dismissals at the following times: 8:00, 8:55, 9:55, 10:50, 11:45, 12:20, and 1:10. Dismissals after 1:30 PM will not be processed.

2. In an emergency, a parent/guardian may personally visit the Student Services Office to sign out their child. We appreciate parent's efforts to schedule appointments after school hours. *Student's attendance record will reflect an absence.*

NOTE: Telephone calls and emails are UNACCEPTABLE for Early Dismissal.

AUDITORIUM

Appropriate behavior must be displayed at all times. Standing on seats, draping legs over seats, yelling, etc. is inappropriate in the auditorium. All food, drinks and gum are prohibited.

HEALTH SECTION

Health services are an important part of a student's total school program. School health staff promotes academic success by helping to ensure that students are healthy and ready to learn. School nurses and school health assistants help students manage chronic health conditions, identify and follow-up on suspected health problems, manage illnesses and injuries, monitor immunization and physical examination documentation, and serve as a resource for health and wellness information. To help protect and promote the health of all students, parents are asked to follow the guidelines below.

When to stay home- Children who have a temperature of 100 degrees or higher should be monitored at home for other signs or symptoms of illness. A child's ability to perform in school is diminished if he or she does not feel well. If your child has repeated episodes of diarrhea or vomiting, a rash or general weakness please consult with your health care provider and keep your child at home until the illness passes or your doctor recommends the child return to school. Health conditions such as pink eye are highly contagious and must be properly treated before your child may return to school.

Medications- Whenever possible, medications should be given at home. However, if it is necessary for your child to receive a medication at school, the parent must bring the medication to school in the original container and complete and sign a Medication Authorization Form. If a prescription medication is required at school, the prescribing doctor must also complete and sign the Authorization. This form is located on the District web-site or is available from the school nurse. Medications are kept in the school clinic. Students may not carry medications at school except in very specific situations which require the written approval of the physician, parent and school nurse. If your child has a health condition that requires medication or treatment, please contact the school nurse.

Emergency Information- Parents must complete and sign a Student Emergency Information Card every school year. Please be sure you provide the school with accurate and current telephone numbers and contacts in case of emergency.

Head Lice- Head lice, often spread by direct head to head contact outside of school, are most commonly found in young children. Head lice and nits (eggs) do not transmit disease and are not a significant health hazard. The Collier County Public Schools' procedure regarding management of head lice is based on recommendations from the American Academy of Pediatrics, the National Association of School Nurses and the Centers for Disease Control (CDC).

- * If a student has signs or symptoms of head lice, the school nurse or trained school staff will check the student's hair and scalp to determine if live lice or nits are present.
- * If live lice or nits, are present, the parent will be asked to pick up the child and will be given instructions for treatment and removal of the nits and/or lice. Siblings will also be checked.
- * The parent must accompany the child to school after treatment. Students who continue to have live lice upon recheck may not return to class.
- * Students who have nits only may return to class and will be rechecked according to a specific protocol.
- * Please check your young child frequently and notify the school nurse if lice and/or nits are found.

HOMEWORK

Homework is intended to reinforce learning through the practice, application, integration, and/or extension of knowledge and skills. The development of study skills and a sense of responsibility can help to enable students to become independent learners. Students are expected to complete homework assignments regardless of whether or not they are graded.

INTERIM REPORTS / REPORT CARDS

Interim Reports and Report Cards are distributed throughout the year. (See the District calendar at www.collierschools.com for distribution dates.) To obtain grades online, students and parents can go <http://www.collierschools.com> click on parents tab and follow the prompts. The login ID is the student ID number and the password is the birth date, month and day only (i.e.03/21).

LOCKERS

Lockers are available at a cost of \$5.00 per year. Students are not permitted to share lockers. To request a locker, contact the Student Services Office. Students are responsible for all books and articles in their assigned locker. Keep the locker doors closed and locked at all times. Locker sharing is prohibited; there are enough lockers for everyone. Only authorized school locks are acceptable, others will be cut off. Individual lockers or storage areas may be searched without prior notice if school officials have reasonable suspicion that a prohibited or illegal substance or object is present. Prohibited or illegally possessed substances or objects include but are not limited to drugs, alcohol, weapons, stolen items, objects or materials declared as contraband by school regulations. A canine search of lockers may take place at the Principal's request.

LOST AND FOUND

Lunches that are dropped off by a parent and is still in the Student Services Office at the end of the day will be thrown away. STOP wherever you are and either join in reciting the pledge or remain quiet while others say it. In accordance with law, students shall recite the Pledge of Allegiance at the beginning of each school day. However, a student has the right not to participate in reciting the Pledge and must be excused from it upon written request from his or her parent(s). This shall include not requiring the student to stand and place the right hand over his or her heart. Students who have not been excused are expected to show full respect to the flag by standing at attention with the right hand over the heart and reciting the Pledge.

RELEASE OF DIRECTORY INFORMATION

Parents/guardians are given 30 days after initial enrollment to provide written notification to the Principal or designee if they wish to keep directory information from being released to post-secondary institutions of higher education upon request.

SCHOOL INSURANCE

School insurance is available to all students. A packet is distributed to each student at the start of the school year. Purchase of this insurance is optional and is either a primary or supplemental insurance based on family coverage. Students participating in athletics must show proof of accident/health insurance or purchase mandatory accident insurance through the school athletic/activities secretary. The cost of this type of insurance coverage varies depending on the sport.

SEARCH AND SEIZURE

If at any time there is reason to believe that a student is concealing stolen or illegal property, alcoholic beverages, illegal drugs, weapons, or any tobacco products, a member of the administrative staff may detain and search the student, his/her locker, and or vehicle. Anyone found guilty of any of the before-mentioned infraction, serious disciplinary actions including expulsion and/or legal actions will be administered.

Trained dogs, accompanied by the Collier County Sheriff's Office, are used in conducting periodic searches of the campus (including the parking lots and lockers).

Reckless driving and excessive speeding are punishable offenses and may result in a ticket. Vehicles parked on campus shall be free of inflammatory, suggestive, or other inappropriate writing, advertisement, or artwork. Speeding and reckless driving will result in additional violations as stated in parking permit and parking application.

STUDENT PLANNER

One *Student Planner* is provided to each student at no cost. Use this planner as an organizer for daily course work and activities. Student planners are also for hall travel and must be with a student any time he/she is outside of the classroom during regularly scheduled class time. The pages in the *Student Planner* used for hall travel must be signed

and dated before students leave a classroom. Students must remain in class the first and last 10 minutes of any period.

If the Student Planner is lost, a replacement book must be purchased at the cost of \$5.00 in the Student Services Office.

SUN PROTECTION

To help prevent students from the year-after-year exposure to sun, caps and sunglasses may be worn during PE, on outdoor field trips, and any other school sponsored outdoor activities. When students come indoors these articles must be removed and placed in a designated storage area. Hats and sunglasses should be clearly labeled with the student's name.

Shatterproof plastic U.V. protective sunglasses are recommended for all outside activities. Polycarbonate lenses provide the utmost impact resistance. U.V. coating for all prescription lenses is appropriate.

Sunscreen is also beneficial protection against sun exposure. If parents wish to have their student protected, the following guidelines should be followed: Sunscreen should be applied at home to all exposed skin surfaces before the student dresses for school. This will provide protection to the student during the time traveling to school as well as during the rest of the day. Sunscreen is to be left at home rather than brought to school. There are products on the market that last for long periods of time even when a student is in water. Reapplication of sunscreen at school is unnecessary.

TEXTBOOKS

All basic texts are loaned for use during the school year. Keep textbooks clean and handle them with care. Students are required to pay for lost or damaged books.

Leave large amounts of money and/or other valuables including electronics at home. Valuables should never be left in halls or P.E. lockers unattended or unsecured. School personnel will not be held liable for any lost or stolen items.
