Every year, the Academic Booster Club (the “ABC”) helps fund many academically oriented programs at Naples High School (“NHS”). The ABC recognizes and rewards academic achievement and encourages academic improvement. The ABC also supports our teachers by hosting several teacher appreciation events and by providing grants to support learning activities within and outside of the classroom (i.e., field trips, books, classroom equipment, etc.).

Some of the student and teacher appreciation events the ABC supports are:

- Academic Awards Night (Underclassmen)
- Academic Awards Night (Seniors)
- Scholarships
- Holiday Cookie Exchange for Teachers/Staff
- Teacher Requests
- End of Year Teacher/Staff Appreciation Luncheon

We need your help to continue to support and recognize the students and teachers of NHS. With your help, ABC can continue its efforts to keep academic achievement and excellence in the forefront of NHS. All donations benefit the students and teachers of our school.

Your contributions will be recognized at the annual Scholar’s Night Ceremony in the Spring, at the following levels:

- DONOR: Any amount is most appreciated.
- SPONSOR: $250.00 contribution - BLUE LEVEL HONOREE
- PATRON: $500.00 contribution - GOLD LEVEL HONOREE
- PATRON: $1000.00 contribution - EAGLE HONOREE

The Academic Booster Club believes we have a responsibility to be actively involved in our children’s education. Supporting the ABC is just one more way to participate in making your child’s high school experience a positive one.

If you would like additional information about the Academic Booster Club and the many activities it supports, please contact NHS Principal J. Kevin Saba at (239) 377-2203 or Cindy Walker, Chair (2015/2016) Cindy-Walker@comcast.net or visit the school’s website at collierschools.com/nhs. Volunteers are always welcome (monthly meetings are held 2nd Thursday of each month).
