

Financial Aid Information Nights

Are you a parent/guardian of a high school senior?

If your child is looking to attend college, make sure to attend one of the upcoming Financial Aid Information Nights. It is highly recommended that seniors and their parents attend a fall presentation since many universities have early deadlines for their merit based scholarships.

Parents and students from all Collier County high schools may attend any of the evening meetings.

Monday, September 12, 2016 at 6:00 p.m.
