

**District School Board of Collier County  
Use of District Facilities  
Administrative Procedure for School Board Policy 7510**

**Crowd Manager Waiver Form**

Any user of indoor District facilities (excluding churches) where fifty (50) people or more will be present in any one room must have a trained crowd manager present and comply with the crowd management requirements of the Florida Fire Prevention Code (“FFPC”) Section 101-12.7.6. A user may become a trained crowd manager by contacting the fire department and making arrangements for training and certification.

**CERTIFICATION**

Based on anticipated attendance this is to certify that the below listed organization does not require a trained crowd manager present at any of its uses of District School Board of Collier County facilities.
