SCOREBOARD OPERATOR CERTIFICATION

Any User of a District scoreboard must have a trained scoreboard operator present during every event. The operator must follow all scoreboard instructions. The User acknowledges that damage to any scoreboard equipment may result in immediate revocation of their lease and denial of future leases. And, the User will be financially responsible for all repairs. A User may schedule training by contacting the Activities Coordinator at the appropriate school.

CERTIFICATION

This is to certify that the name listed below has been trained and is hereby certified to operate the school's scoreboard.
