

VOIP Phone Training (VoiceOver IP) Collier County Public Schools

Description of Phone

- **Display:**
 - The Display area is where you will see either a **Personal Phone Number** or a **Classroom Phone Number**.
- **Line Buttons:**
 - Use these buttons to select which line on the phone to use. Every user has anywhere from 2 to 6 lines.
- **Soft Keys:**
 - These keys change their function according to what you are doing on the phone. Their function is identified in the LCD Display directly above the key.
- **Scroll:**
 - Use this button to scroll between various menus, fields and screens.
- **Number Pad:**
 - Use these buttons to dial phone numbers and enter passwords or PIN codes.
- **Features:**
 - Use these buttons to access various menus and/or voicemail.
