

# Features:

## Call Transfer

- To Transfer a call while on the phone, follow these steps:
  - Press the Trnsfr (Transfer) Soft Key.
  - Using the number pad on the phone, enter the 5 digit extension of the person to whom the call should be transferred.
  - Press the Trnsfr (Transfer) Soft Key again.
    - If you do not press the transfer key the second time, the phone call will not reach the intended person, instead you will be connected to the person whose extension you dialed.
